SCT 19 Compact Frame Safety Instruction Guide

Introduction

Thank you for choosing the SCT 19 Compact Frame from SCT Manufacturing. This guide provides essential safety instructions to ensure the safe and effective use of your new frame. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the handling and operation of firearms before using this product.
- Always treat the frame as if it is loaded, even if it is not.
- Keep the frame and all related components out of reach of children and unauthorized users.
- Regularly inspect the frame for any signs of wear or damage before use.
- Do not modify the frame in any way that could compromise its safety or functionality.
- Always use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the frame is compatible with Glock Gen 13 parts and Glock 19 magazines only.
- Confirm that the magazine well is clear of obstructions before loading.
- Use only the recommended ammunition type (9 mm Luger) to avoid malfunctions.
- Be cautious when using the dropfree magazine well to prevent accidental releases.
- Avoid placing fingers inside the trigger guard until you are ready to fire.
- Maintain a proper grip on the frame to ensure control during operation.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure all components are clean and free of debris.
- Align the frame with the Glock Gen 13 parts according to the manufacturer's specifications.
- Securely attach the front and rear slide rails to ensure proper fitment.
- Verify that the extended beavertail and undercut trigger guard are properly positioned for optimal ergonomics.

2. Usage:

- Load the magazine with the appropriate ammunition (9 mm Luger) and insert it into the magazine well.
- Ensure the slide is in the forward position and the firearm is ready to fire.
- Use the slide release to chamber a round when ready to fire.
- Maintain control of the firearm at all times, keeping your finger off the trigger until ready to shoot.
- After use, ensure the firearm is unloaded and stored safely.

Disposal Instructions

- Dispose of the frame and any related components in accordance with local regulations.
- Do not dispose of the frame in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
