A cut-down, modified version of repeating rifle, this recognizable shootin' iron could be holstered like a pistol but fired with the speed of lever-action rifle. Nicknamed the Mare's Leg, this innovative weapon swiftly brought outlaws to justice every week and rose to fame as the real star of the short-lived show. Now fans of those classic westerns and collectors of innovative firearms can holster this lever action pistol manufactured in the spirit and style of the original made for TV classic. Like all Henry Rifles, each sports a select, handcrafted American Walnut stock cut to the exact specification of the gun used on the television series. The large loop lever, coupled with the legendary crisp Henry action, makes it easy for you to enjoy those rapid-fire repeating shots Steve McQueen used to take down the bad guys.
