

MAGPOD FOR GEN2 PMAG - MULTI-TASKER MAGPOD BASE PLATE FOR GEN 2 PMAG BLACK 3 PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Floor Plates & Extensions](#)

MagPod is a direct replacement for the standard 30 Round PMAG floorplate that turns your PMAG into more of a Mono-Pod style stabilization tool. This may not be for everyone but for those of you who prefer to run and gun and don't want a Bi-Pod getting in the way this might be the perfect addition. Compatible with Gen2 MOE® (or older) PMAG® Patented design Durable 15% Glass Fiber reinforced PA6 material Double injection molded TPU basepad for improved traction on hard surfaces 3-PACK in printed polybag

MAGPOD FOR GEN2 PMAG SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAGPOD for Gen2 PMAG. This product is designed to enhance your shooting experience by providing stability. Please read this safety instruction guide carefully to ensure safe and effective use of the MAGPOD.

General Safety Guidelines

- Always use the MAGPOD in accordance with the manufacturer's instructions.
- Inspect the MAGPOD before each use for any signs of damage or wear.
- Keep the MAGPOD out of reach of children and unauthorized users.
- Use the MAGPOD only with compatible Gen2 MOE® (or older) PMAG® magazines.
- Report any unsafe product issues or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure the MAGPOD is securely attached to your PMAG before use.
- Do not use the MAGPOD if it is damaged or shows signs of wear.
- Avoid using the MAGPOD in wet or slippery conditions to prevent loss of traction.
- Do not overload the MAGPOD beyond its intended use as a stabilization tool.
- Be aware of your surroundings when using the MAGPOD to avoid accidents.

Instructions for Installation and Usage

1. Installation:

- Remove the existing floorplate from your Gen2 PMAG.
- Align the MAGPOD with the magazine body.
- Press down firmly until you hear a click, indicating that the MAGPOD is securely attached.

2. Usage:

- Position the PMAG with the MAGPOD on a stable surface for stabilization.
- Ensure that the MAGPOD is providing the desired level of support before taking any shots.
- If using in a dynamic environment, practice transitioning between positions with the MAGPOD to understand its handling.

Disposal Instructions

- Dispose of the MAGPOD in accordance with local waste management regulations.
- Do not dispose of the MAGPOD in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options for the MAGPOD if applicable.

Contact Information for Further Support

For any questions or concerns regarding the MAGPOD, please reach out to your point of purchase or consult the manufacturer's website for additional support and information.

Thank you for your attention to these safety guidelines. Enjoy your MAGPOD for Gen2 PMAG responsibly!
