PICATINNY HARRISTYPE BIPOD MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Picatinny HarrisType Bipod Mount by American Defense Manufacturing. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your bipod mount. Please read this manual carefully before use.

General Safety Guidelines

- Ensure the bipod mount is compatible with your firearm before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the bipod mount for any damage before each use.
- Keep the bipod mount out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the bipod mount.
- Ensure the bipod mount is securely attached to the rail system before use.
- Avoid using the bipod mount in adverse weather conditions that may affect stability.
- Always use the bipod mount in a safe and controlled environment.
- Do not modify or alter the bipod mount in any way, as this may compromise safety.
- If you notice any unusual wear or damage, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation.
- Read all instructions thoroughly before starting.

2. Installation:

- Align the bipod mount with the Picatinny or ARCA rail on your firearm.
- Slide the mount onto the rail until it clicks into place.
- Ensure the mount is securely attached by attempting to pull it off gently.

3. Adjustment:

- Adjust the bipod legs to your desired height.
- Ensure that the legs lock into place before use.

4. Usage:

- To detach the bipod mount, press the quick detach lever and slide it off the rail.
- Always store the bipod mount in a safe place when not in use.

Disposal Instructions

- Dispose of the bipod mount in accordance with local regulations.

- Do not dispose of the bipod mount in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
