

RAIDER 1X MICRO PRISM SIGHT - RAIDER 1X GREEN BRC RETICLE MICRO PRISM SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Introducing the Swampfox Raider, a versatile 1x20 micro prism with an expansive eye relief for fast and clear sight acquisition. Using the Bullet Rise Compensating reticle from our Blade prism, Raider has CQB at its heart. Featuring a T-2 footprint for incredible versatility between mounting platforms. This micro prism sets itself apart with a die-cast zinc alloy body presenting a truly tough housing capable of taking hits without loss of function. Available with red and green illumination, Raider's etched reticle appears black when the illumination is off. Shake N' Wake motion-sensing auto on/off saves battery life and is perfect for home defense. If you have an issue running a standard red dot, Raider is for you.?

RAIDER 1X MICRO PRISM SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the RAIDER 1X MICRO PRISM SIGHT. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the sight.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the sight out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the sight for any visible damage or wear. Do not use if damaged.
- Always follow local laws and regulations regarding the use of optical sights.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the sight to prevent injury from accidental discharge or debris.
- **Mounting:** Ensure that the sight is securely mounted on the firearm. Follow the manufacturer's instructions for proper installation.
- **Illumination:** Be cautious when adjusting the illumination settings. Excessive brightness may impair vision in lowlight conditions.
- **Battery Safety:** Use only the recommended battery (CR 2032). Improper battery use can lead to leaks or malfunctions.
- **Water Resistance:** While the sight is waterproof, avoid prolonged exposure to water to ensure longevity. Check seals regularly.
- **Handling:** Handle the sight with care. Avoid dropping or subjecting it to extreme impacts.
- **Cleaning:** Use a soft, lintfree cloth for cleaning the lenses. Avoid harsh chemicals that may damage the coatings.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Select a suitable mounting platform compatible with the T2 footprint.
- Align the sight with the mounting rail and secure it using the provided screws or mounting system.
- Tighten the screws to the manufacturer's specifications to prevent loosening during use.

2. Usage:

- Adjust the sight to your preferred eye relief (3.5"4.5") for optimal viewing.
- Use the adjustment click value of 0.5 MOA to zero the sight according to your shooting preferences.
- Turn on the illumination by rotating the brightness dial. Choose from 10 total positions, including 2 night vision settings.
- To conserve battery life, utilize the Shake N' Wake feature, which automatically turns the sight on/off with motion.

Disposal Instructions

- Dispose of the sight and its components in accordance with local regulations for electronic waste.
- Remove the battery before disposal and recycle it according to local guidelines.
- Do not dispose of the sight in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your RAIDER 1X MICRO PRISM SIGHT responsibly.
