# SHOT CAPSULE 44 REMINGTON Safety Instruction Guide

## Introduction

Thank you for choosing the SHOT CAPSULE 44 REMINGTON by Speer. This product allows you to create custom handgun shotshells for shortrange pest and varmint control. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always treat firearms as if they are loaded.
- Store ammunition and firearms securely, away from children and unauthorized users.
- Use only in firearms that are designed for .44 caliber cartridges.
- Do not use in firearms with ported barrels, recoil compensators, or suppressors.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the SHOT CAPSULE 44 REMINGTON, please observe the following precautions:

- Ensure that you are in a safe shooting environment, away from people and animals.
- Wear appropriate eye and ear protection while using this product.
- Only fill the shot capsules with approved shot sizes; do not exceed manufacturer recommendations.
- Never attempt to modify or alter the shot capsules or the ammunition in any way.
- Keep fingers away from the trigger until you are ready to shoot.
- Do not use damaged or defective shot capsules; inspect them before use.

## Instructions for Installation and Usage

To safely create and use your custom handgun shotshells, follow these instructions:

1. **Gather Materials:** Ensure you have the SHOT CAPSULES, your preferred size shot (not included), and a base wad.
2. **Fill Shot Capsules:**
  - Open the shot capsules and carefully fill them with your chosen shot size.
  - Do not overfill; leave adequate space for the base wad.
3. **Insert Base Wad:**
  - Snap in the base wad securely to seal the shot capsule.
4. **Loading:**
  - Load the filled shot capsule into your firearm as you would a conventional bullet.
  - Ensure the firearm is pointed in a safe direction during loading.
5. **Firing:**

- Ensure the area is clear of people and animals before firing.
- Follow standard firearm handling procedures when firing the weapon.

## Disposal Instructions

Proper disposal of unused or damaged shot capsules is important for safety and environmental protection:

- Do not throw unused shot capsules in regular trash.
- Contact your local waste management facility for proper disposal methods.
- Ensure that all components are disposed of in accordance with local regulations.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the designated EU contact point for your product. Ensure you have the product details available for reference.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your SHOT CAPSULE 44 REMINGTON. Always prioritize safety and responsible usage.
