HEAVY DUTY VEST HANGERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HEAVY DUTY VEST HANGERS by SAVIOR EQUIPMENT. This product is designed to provide a robust and efficient solution for storing tactical vests and plate carriers. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the hanger is used only for its intended purpose, which is to support tactical vests and plate carriers.
- Regularly inspect the hanger for any signs of wear, damage, or deformation. If any issues are found, discontinue use immediately.
- Keep the hanger out of reach of children and other vulnerable individuals to prevent accidents.
- Store the hanger in a dry environment to prevent degradation of materials.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the maximum load limit of 150 lbs. Overloading may cause the hanger to fail, leading to potential injuries or damage.
- Ensure that the hanger is securely mounted or placed before hanging any equipment.
- Use the raised hook ends to hang additional accessories safely, ensuring they do not exceed the weight limit.
- Avoid placing the hanger in areas where it may be exposed to extreme temperatures, moisture, or direct sunlight for prolonged periods.

Instructions for Installation and Usage

1. Installation

- Choose a suitable location for the hanger, ensuring it is away from hightraffic areas.
- If mounting, use appropriate screws and anchors that can support the weight of the loaded hanger.
- Ensure that the hanger is level and securely fastened before use.

2. Usage

- Hang your tactical vests or plate carriers by placing them over the hanger's arms.
- For additional accessories, utilize the raised hook ends, ensuring that the total weight does not exceed 150 lbs.
- Periodically check that the vests and carriers are securely placed on the hanger.

Disposal Instructions

- When the hanger reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations.
- If possible, recycle the materials to reduce environmental impact.
