

BUSHING FULL LENGTH SIZING DIE - FORSTER PRODUCTS, INC. 6 DASHER BUSHING FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bushing Full Length Sizing Die offers advanced precision by allowing you to precisely control the amount of neck sizing tension in your reloaded brass while sizing the body and bumping the shoulder. This die improves accuracy and prolongs case life because the case's shoulder and body is sized down just enough to fit in a minimum-sized SAAMI rifle chamber, and bushing limits working of the neck.

Attributes

Bushing Full Length Sizing Die Safety Instruction Guide

Introduction

Thank you for choosing the Bushing Full Length Sizing Die from Forster Products, Inc. This product is designed to enhance your reloading experience by providing precise control over neck sizing tension, improving accuracy, and prolonging case life. To ensure safe and effective use, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- Always read the product manual before use.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die for any damage before each use. Do not use if damaged.
- Follow all manufacturer instructions for assembly and usage.
- Use personal protective equipment (PPE) such as safety glasses when reloading.
- Ensure that your workspace is clean and free of obstructions.
- Store the die in a dry place to prevent corrosion and damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges on the die may cause cuts.
- Improper use may lead to reloading accidents.

- **Avoiding Hazards:**

- Handle the die carefully to avoid cuts.
- Ensure proper alignment when sizing to prevent accidents.
- Do not exceed recommended sizing limits to avoid damaging brass or the die.
- Ensure all tools and materials are compatible with the die.

- **Agespecific Warnings:**

- This product is not intended for use by children.
- Ensure that inexperienced users are supervised by knowledgeable individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Bushing Full Length Sizing Die.
- Securely mount the die in the press according to the manufacturer's instructions.
- Adjust the die to the desired depth for sizing.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them.
- Insert the brass case into the press and align it with the die.
- Gradually apply pressure to size the neck and body of the case.

- Monitor the sizing process to ensure proper alignment and tension.
- After sizing, remove the case from the press and inspect it for any defects.

3. PostUsage Care:

- Clean the die after each use to remove any debris or residue.
- Store the die in a protective case or container to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries or concerns regarding the Bushing Full Length Sizing Die, please refer to the manufacturer's contact information provided in the product manual or on the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safer and more enjoyable reloading experience.
