

BUSHING FULL LENGTH SIZING DIE - FORSTER PRODUCTS, INC.

7PRC BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bushing Full Length Sizing Die offers advanced precision by allowing you to precisely control the amount of neck sizing tension in your reloaded brass while sizing the body and bumping the shoulder. This die improves accuracy and prolongs case life because the case's shoulder and body is sized down just enough to fit in a minimum-sized SAAMI rifle chamber, and bushing limits working of the neck.

Attributes

- Name: [FORSTER PRODUCTS, INC. 7PRC BUSHING FULL LENGTH DIE](#)

Bushing Full Length Sizing Die Safety Instruction Guide

Introduction

Thank you for choosing the Bushing Full Length Sizing Die from Forster Products, Inc. This guide provides essential safety instructions to ensure proper use and maintenance of your die. Please read this manual thoroughly before using the product to ensure a safe and effective reloading experience.

General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the workspace clean and free from distractions to minimize the risk of accidents.
- Store the die in a safe place, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in close proximity while using the die.
- Regularly inspect the die for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Handle the die with care to avoid injury. Sharp edges may be present.
- Ensure that the die is securely mounted in the reloading press before use.
- Do not exceed the recommended sizing tension as specified by the manufacturer.
- Avoid using the die with damaged or improperly sized brass cases.
- Do not attempt to modify the die or use it for purposes other than intended.
- If you experience any unusual resistance while using the die, stop immediately and inspect for potential issues.

Instructions for Installation and Usage

1. Installation:

- Unpack the Bushing Full Length Sizing Die and ensure all components are present.
- Clean the die and the reloading press to remove any debris or lubricant.
- Securely mount the die into the reloading press according to the manufacturer's instructions.

2. Usage:

- Adjust the die to the desired height for sizing the brass cases.
- Insert the brass case into the shell holder of the press.
- Pull the handle of the press to size the case. Ensure that the die is providing the correct amount of neck tension.
- Inspect the sized case for accuracy and proper fit before proceeding with reloading.

Disposal Instructions

- Dispose of any damaged or wornout components of the die in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Bushing Full Length Sizing Die, please refer to the manufacturer's website or contact the customer support team. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Happy reloading!
