Safety Instruction Guide for FULL LENGTH BUSHING DIE KITS

Introduction

Thank you for choosing the FULL LENGTH BUSHING DIE KIT from Forster Products, Inc. This guide provides essential safety instructions to ensure safe and effective use of your bushing full length die kit for the 6mm Dasher cartridge. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all users are aware of the safety guidelines outlined in this document.
- Always use the product as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about potential recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die kit.
- Ensure the work area is clean, dry, and free from distractions to prevent accidents.
- Do not exceed the recommended specifications or limits provided by the manufacturer.
- Be cautious of sharp edges and moving parts during operation.
- Avoid using the die kit if you are tired or under the influence of substances that may impair your judgment or coordination.

Instructions for Installation and Usage

1. Installation

- Read the entire manual before beginning the installation process.
- Ensure you have all components of the die kit, including the Forster Full Length Bushing Die and the three standard bushing sizes.
- Secure the die in a suitable reloading press according to the manufacturer's instructions.
- Tighten all connections firmly but do not overtighten to avoid damage.

2. Usage

- Before using the die kit, ensure that the reloading press is securely mounted.
- Select the appropriate bushing size for your specific reloading needs.
- Insert the bushing into the die and adjust as necessary.
- Follow the reloading process as outlined in the die kit instructions, ensuring to check for proper alignment and operation.
- After use, clean the die and bushing to maintain optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer usable, dispose of it responsibly to minimize environmental impact.
- Consider recycling components where possible, following your local recycling guidelines.

Contact Information for Further Support

For further questions or safety inquiries regarding the FULL LENGTH BUSHING DIE KIT, please refer to the manufacturer's contact information provided with your product packaging.
