

# **GAS TUBES EXTENDED LENGTH FOR AR-15 RIFLE - WHITE OAK ARMAMENT GAS TUBE EXTENDED LENGTH +1" (16.160") STAINLESS STEEL**

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Tubes](#)

Quality, stainless steel gas tubes in extended lengths. In the right circumstances there are benefits to be realized by lengthening the gas system on long barreled high-performance AR-15 rifles. Brass life, reliability, and accuracy can all benefit from the correct relationship between barrel length, case capacity, and gas system length. For your custom performance build White Oak Armament offer quality gas tubes in lengths longer than traditional rifle length. For best results consult with a competent gunsmith to determine the optimum gas system length for your build. Lengths White Oak Custom +1" (one inch longer than rifle length - 16.160") White Oak Match Rifle +2" (two inches longer than rifle length - 17.160") White Oak Custom +3" (three inches longer than rifle length - 18.160")

# Safety Instruction Guide for GAS TUBES EXTENDED LENGTH FOR AR15 RIFLE

## Introduction

Thank you for purchasing the White Oak Armament Gas Tubes Extended Length for AR15 Rifle. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of the product. Please read this document carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and related equipment.
- Always treat firearms as if they are loaded.
- Store your gas tubes in a cool, dry place, away from moisture and extreme temperatures.
- Regularly inspect your gas tubes for signs of wear, damage, or corrosion.
- Use only compatible components when assembling or modifying your AR15 rifle.
- Consult with a qualified gunsmith if you are unsure about any aspect of installation or usage.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation can lead to malfunctions or accidents.
- Use of incompatible components may affect the performance and safety of your firearm.

- **Avoiding Hazards:**

- Always ensure that the gas tube is correctly aligned and securely fastened during installation.
- Do not use the gas tube if it shows signs of damage or excessive wear.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are 18 years or older. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

- **Installation Instructions:**

1. Ensure your firearm is completely unloaded and safe to handle.
2. Remove the existing gas tube from your AR15 rifle, if applicable.
3. Align the new gas tube with the gas block and ensure it fits snugly.
4. Secure the gas tube using the appropriate screws or pins as specified by your firearm's manufacturer.
5. Doublecheck all connections to ensure they are tight and secure.
6. Reassemble your rifle and perform a function check to ensure proper operation.

- **Usage Instructions:**

- Test your rifle in a safe and controlled environment to ensure the gas tube functions correctly.
- Monitor the performance of your rifle during use. If you notice any irregularities, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any damaged or worn gas tubes in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Check with your local waste management authority for specific disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of this product, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the White Oak Armament Gas Tubes Extended Length for AR15 Rifle. Always prioritize safety and consult with professionals when in doubt. Thank you for choosing our product, and enjoy your shooting experience responsibly.
