

AR-15/AR-10™ AR VISE BLOCKS - SINCLAIR INTERNATIONAL AR-15 VISE BLOCK BLEM

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

The Sinclair Vise Block is the perfect tool for securely holding your AR-15/AR-10® in a bench vise. The Vise Block inserts into your magazine well just like a magazine and the bottom half of the block can be clamped into a vise. You can tilt the block in the vise to work at a different angle if desired. You can also insert the vise block into the top of the lower assembly allowing you to work on the bottom side. The Vise Block is made of machined high density polyethylene, so it is extremely solid. Great workbench tool. AR-10® Model only fits Armalite® AR-10® pattern rifles, does not fit DPMS/SR25 pattern rifles.

Safety Instruction Guide for AR15/AR10™ AR VISE BLOCKS

Introduction

Thank you for choosing the Sinclair International AR15 Vise Block. This product is designed to securely hold your AR15/AR10® in a bench vise, allowing for safe and efficient maintenance. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the Vise Block in a wellventilated area.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the Vise Block is compatible with your specific firearm model.
- Always follow the manufacturer's instructions for use.
- Do not use the Vise Block for any purpose other than its intended use.
- Store the Vise Block in a safe place, out of reach of children and pets.

Specific Safety Precautions for Use

- Inspect the Vise Block before each use for any signs of damage or wear.
- Do not exceed the manufacturer's recommended clamping force when securing the Vise Block in a vise.
- Avoid placing your hands or any body parts near the clamping area while the Vise Block is secured in the vise.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the Vise Block.
- Ensure that your firearm is unloaded and the chamber is clear before using the Vise Block.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and the chamber is clear.
- Gather all necessary tools and equipment before starting.

2. Inserting the Vise Block:

- Insert the Vise Block into the magazine well of your AR15/AR10® just like a magazine.
- Ensure that the Vise Block is fully seated in the magazine well.

3. Securing the Vise Block:

- Position the bottom half of the Vise Block into the jaws of the bench vise.
- Adjust the vise to hold the Vise Block securely without excessive force.
- If necessary, tilt the Vise Block in the vise to achieve a comfortable working angle.

4. Working on the Firearm:

- You can also insert the Vise Block into the top of the lower assembly, allowing access to the bottom side of the firearm.
- Perform your maintenance or modifications as needed, ensuring that you adhere to safety guidelines.

5. After Use:

- Remove the Vise Block from the vise and the firearm.
- Clean the Vise Block if necessary and store it in a safe location.

Disposal Instructions

- Dispose of the Vise Block in accordance with local regulations for plastic waste.
- Do not dispose of the Vise Block in regular household waste if it is damaged or broken.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Sinclair International AR15 Vise Block, please refer to the manufacturer's contact information provided with your product packaging. You can also check for recall updates on the EU's Safety Gate platform.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using the Sinclair International AR15 Vise Block.
