

# SCT 19 COMPACT FRAME - SCT MANUFACTURING SCT 19 COMPACT FRAME OUTDOOR GREEN

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

The SCT 19 frame from SCT Manufacturing is the perfect foundation for your next build. The SCT frame is compatible with Glock Gen 1-3 parts and all Glock 19 magazines. The aggressive grip texture along with a extended beavertail and undercut trigger guard add to the enhanced ergonomics of this frame. The molded in front and rear rails add to the durability. The beveled magazine well helps speed up you reloads, and the drop free magazine well ensures your magazines drop free. The 4 slot picatinny rail insures fitment of most frame mounted weapon lights. Beveled Magazine Well Molded in front and rear slide rails (key point) Extended beavertail Undercut on trigger guard for more finger/hand space 4 slot picatinny rail Aggressive grip texture Slide release guarding with texture Drop free magazine well Enhanced Ergonomics

# SCT 19 Compact Frame Safety Instruction Guide

## Introduction

Thank you for choosing the SCT 19 Compact Frame from SCT Manufacturing. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible and in good condition before use.
- Always handle the frame with care to prevent accidents.
- Store the SCT 19 Compact Frame in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when using the frame, especially in outdoor environments.
- Regularly inspect the frame for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always treat the frame as if it is loaded.
- Do not point the frame at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Use only Glock Gen 13 parts and Glock 19 magazines for compatibility.
- Ensure that all ammunition used is appropriate for the SCT 19 frame (9 mm Luger).
- Do not modify the frame or its components beyond manufacturer specifications.
- Be cautious when using the aggressive grip texture; ensure a firm grip to avoid slippage.
- Use the dropfree magazine well to prevent accidental drops during reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all required parts and tools for assembly.
- Follow the manufacturer's instructions for assembling the SCT 19 Compact Frame.
- Attach the front and rear slide rails securely.
- Ensure the extended beavertail is properly fitted for comfort and safety.
- Check the fit of the magazine well and ensure it is beveled for smooth operation.
- Verify that the 4 slot picatinny rail is securely attached for mounting accessories.

### 2. Usage:

- Load the frame with a Glock 19 magazine only.
- Check that the slide is in the forward position before firing.
- Maintain proper shooting stance and grip when using the frame.
- After use, always clear the frame and remove any magazines.
- Store the frame in a safe place when not in use.

## Disposal Instructions

- Dispose of the SCT 19 Compact Frame in accordance with local regulations.
- If the frame is damaged and no longer safe for use, consider recycling materials where possible.
- Do not dispose of the frame in regular household waste; check for designated disposal sites.

## **Contact Information for Further Support**

For any inquiries regarding safety, compatibility, or product issues, please reach out to the designated EU contact point associated with this product.

By following these guidelines, you can ensure safe and effective use of your SCT 19 Compact Frame. Thank you for your attention to safety.
