# SCT 19 Compact Frame Safety Instruction Guide

## Introduction

Thank you for choosing the SCT 19 Compact Frame from SCT Manufacturing. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle the SCT 19 Compact Frame with care to prevent accidents.
- Ensure that the frame is used in accordance with the manufacturer's instructions.
- Regularly inspect your frame for any signs of damage or wear.
- Store the frame in a secure location, away from children and unauthorized users.
- If you are unsure about the safe use of this product, seek professional guidance.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that you are using Glock Gen 13 parts and Glock 19 magazines, as the frame is designed specifically for these components.
- **Grip Handling:** Use the aggressive grip texture for a secure hold. Always maintain a proper grip to avoid slippage during use.
- **Beavertail and Trigger Guard:** The extended beavertail and undercut trigger guard provide enhanced ergonomics. Ensure your fingers are positioned correctly to prevent accidental discharges.
- **Magazine Well:** Utilize the beveled magazine well for faster reloads. Ensure that magazines are properly seated before use.
- **Picatinny Rail:** When mounting accessories, ensure that they are compatible with the 4slot picatinny rail. Improper mounting may lead to equipment failure.
- **Maintenance:** Regularly clean and maintain the frame to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all necessary Glock Gen 13 parts and Glock 19 magazines.
- Carefully follow the manufacturer's guidelines for assembling your frame with compatible components.
- Inspect the assembly for any misalignment or improper fit before use.

### 2. Usage:

- Always treat the frame as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that you are in a safe environment when using the frame.
- Be aware of your surroundings and ensure that there is a proper backstop in place.
- After use, safely store the frame and all associated components.

## Disposal Instructions

- Dispose of the SCT 19 Compact Frame in accordance with local regulations.
- Do not dispose of the frame in regular household waste.
- Check for any specific recycling programs available for firearm components in your area.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the SCT 19 Compact Frame, please reach out to the designated EU contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
