

GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - TRIJICON RMR - WALTHER PDP 2.0

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

GUARDIAN OPTIC GUARD RADIAN WEAPONS

Safety Instruction Guide

Introduction

Thank you for choosing the GUARDIAN Optic Mounting System by Radian Weapons. This product is designed to provide exceptional protection for your pistol red dot optic. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is compatible with your firearm model (Walther PDP 2.0).
- Always handle your firearm safely and responsibly.
- Inspect the optic mount for any visible damage before installation.
- Use only recommended accessories and components with this product.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to local authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation may lead to optic detachment or malfunction. Moisture intrusion can cause corrosion and damage to the optic.
- **Avoiding Hazards:** Ensure that the mounting screws are securely tightened during installation. Regularly inspect the optic mount for signs of wear or damage. Do not use the product in extreme weather conditions without proper precautions.
- **AudienceSpecific Warnings:** This product is intended for adult users familiar with firearm handling. Keep all components away from children.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools (screwdriver, etc.) before installation. Ensure your firearm is unloaded and pointed in a safe direction.
2. **Installation Steps:** Remove any existing optic or mounting plate from your firearm. Align the GUARDIAN Optic Mount with the mounting points on the slide. Use the STUDLOK™ threaded stud/nut interface for secure attachment. Tighten the mounting screws until snug, ensuring no movement occurs. Check alignment and ensure the optic is securely mounted. Install optional backup sights if desired, ensuring they do not obstruct the optic view.
3. **Usage Tips:** Regularly check the tightness of the mounting screws after use. Clean the optic and mount regularly to prevent dirt and moisture buildup. If you notice any signs of damage or looseness, cease use immediately and inspect.

Disposal Instructions

- Dispose of the GUARDIAN Optic Mount responsibly.
- Follow local regulations for electronic and metal waste disposal.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding the GUARDIAN Optic Mounting System, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for prioritizing safety and performance with the GUARDIAN Optic Mounting System. Stay safe and enjoy your shooting experience!
