

# M-LOK TYPE 2 RAIL COVERS HALF SLOT - MAGPUL RAIL COVERS TYPE 2 HALF SLOT M-LOK POLYMER O.D. GREEN 6/BOX

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

M-LOK Type 2 Half Slot Rail Covers are low-profile, two-piece covers that install directly onto most full and half size M-LOK aluminum hand guards (non-polymer). Designed to work in conjunction with full size M-LOK Type 2 Rail Covers, Half Slot Rail Covers can be used to fill extra space left by full size Rail Covers and other accessories—allowing for more customization and coverage of your hand guard. M-LOK Type 2 Half Slot Rail Covers are non-orientation specific, which allows the user to mount them in any direction desired without affecting function. They feature beveled contours to minimize potential snagging, our TSP texture for additional grip, and a low profile that's only slightly more than 1/8" from the mounting surface. The center locking tab is pre-scored to allow the user to snap off sections and mix and match colors for a customized look. Includes four panels, each covering half of an M-LOK slot. Not compatible with MAGPUL MOE M-LOK, MOE SL and SGA fore-ends, and may not be compatible with free-float handguards that have a wider and flatter profile, as they will not seat deep enough to allow the center portion to lock in. Made in the USA. Non-orientation specific, can be mounted in any direction desired. Beveled contours minimize potential snagging. TSP texture creates additional grip. Covers barely protrude more than 1/8" above the rail surface to maintain a low-profile. Can be mixed and matched with various colors for a custom look. Installed or uninstalled in seconds.

## Attributes

- Name: [MAGPUL RAIL COVERS TYPE 2 HALF SLOT M-LOK POLYMER O.D. GREEN 6/BOX](#)
- Manufacturer: [MAGPUL](#)

# MLOK TYPE 2 RAIL COVERS HALF SLOT Safety Instruction Guide

## Introduction

Thank you for choosing the MLOK Type 2 Rail Covers Half Slot by MAGPUL. This guide provides essential safety instructions and guidelines to ensure the safe use, installation, and disposal of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is suitable for your specific MLOK hand guard model.
- Always inspect the rail covers before installation for any visible damage or defects.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the rail covers in any way, as this may compromise safety and functionality.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The MLOK Type 2 Half Slot Rail Covers are designed for use with full and halfsize MLOK aluminum hand guards only.
- Ensure that the rail covers are properly secured to avoid detachment during use.
- Avoid using the rail covers in environments where they may be exposed to extreme temperatures or harsh chemicals.
- Be mindful of the beveled contours to minimize the risk of snagging on clothing or gear.
- Do not exceed the recommended weight limit for accessories mounted on the rail covers.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the MLOK hand guard is clean and free from debris.
- Gather the necessary tools, if required, for installation.

### 2. Installation:

- Align the rail cover with the MLOK slot on the hand guard.
- Press down firmly until the rail cover snaps into place. Ensure that it is securely locked in.
- If using multiple rail covers, repeat the above steps for each cover.
- If you need to customize the color, use the prescored locking tab to snap off sections as needed.

### 3. Usage:

- The rail covers can be mounted in any direction without affecting their function.
- Utilize the TSP texture for additional grip during handling.
- Regularly check the rail covers for secure attachment and any signs of wear.

## Disposal Instructions

- Dispose of the rail covers in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.
- Ensure that the product is out of reach of children during the disposal process.

## Contact Information for Further Support

For any safety inquiries or support regarding the MLOK Type 2 Rail Covers, please contact the manufacturer directly. Ensure to have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your MLOK Type 2 Rail Covers Half Slot. Thank you for prioritizing safety!
