# ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER SCT MANUFACTURING

## Introduction

Thank you for choosing the SCT 19 frame from SCT Manufacturing. This product is designed to provide a solid foundation for your next build while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use and complies with EU General Product Safety Regulation (GPSR). Make sure to follow all guidelines to ensure a safe experience.
- **Potential Hazards:** Improper use or installation may lead to serious injuries. Always ensure you are using the product as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product through official channels.
- **Online Shopping Protections:** If purchased online, ensure the retailer meets safety requirements outlined by the EU.
- **Vulnerable Groups:** Extra caution should be taken when this product is used around children or individuals unfamiliar with firearms.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this manual before use.
- **Use Appropriate Parts:** Ensure that all parts used with the SCT frame are compatible and meet safety standards.
- **Check for Damage:** Inspect the frame for any signs of damage before installation or use.
- **Wear Protective Gear:** When using firearms, always wear appropriate protective gear, including eye and ear protection.
- **Avoid Modifications:** Do not modify the frame or any components, as this may compromise safety and performance.
- **Store Safely:** Keep the frame and any associated parts stored securely and out of reach of children.
- **Follow Local Laws:** Be aware of and comply with all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### 1. Preparing for Installation:

- Gather all necessary tools and parts.
- Ensure you are working in a clean, welllit area.

### 2. Installation Steps:

- Carefully align the SCT frame with the Glock® Gen 13 parts.
- Ensure the locking block is properly installed to maintain stability.
- Attach the front and rear rails securely to enhance durability.
- Check that the magazine well is flared and functioning properly for smooth reloads.

### 3. Usage Instructions:

- Always ensure the firearm is unloaded before handling.
- When ready to use, load compatible Glock® 19® magazines.
- Maintain a firm grip on the frame, utilizing the aggressive texture for better control.
- Use the thumb accelerator pad for improved handling during operation.
- After use, ensure the firearm is cleared and stored safely.

#### 4. PostUsage Care:

- Clean the frame and components regularly to maintain performance.
- Inspect for wear and tear, addressing any issues promptly to ensure safety.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations for nonhazardous materials.
- **Recycling:** If applicable, recycle components where possible to minimize environmental impact.
- **Safety Precautions:** Ensure that the product is rendered inoperable before disposal to prevent misuse.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the appropriate contact channels provided by your retailer or manufacturer. Always ensure you have the latest information on product recalls and safety updates.

Thank you for your attention to safety. Enjoy your SCT 19 frame responsibly!
