Safety Instruction Guide for ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER SCT MANUFACTURING

Introduction

Thank you for choosing the ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER from SCT Manufacturing. This product is designed to provide a sturdy and reliable foundation for your firearm build. To ensure safe and effective use of this product, please read and follow all safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Always ensure safe handling and use of the assembled frame. Familiarize yourself with basic firearm safety practices.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Check official sources regularly for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards equivalent to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on product safety.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the instruction manual that accompanies your firearm and the assembled frame.
- **Proper Handling:** Treat every firearm as if it is loaded. Always point the muzzle in a safe direction.
- **Wear Protective Gear:** Use appropriate safety gear, including eye and ear protection, when handling firearms.
- **Check Compatibility:** Ensure that the frame is compatible with your specific Glock® model before use.
- **Inspect Regularly:** Regularly inspect the assembled frame for any signs of wear or damage.
- **Avoid Modifications:** Do not modify the assembled frame or any of its components. Unauthorized modifications may compromise safety.
- **Store Safely:** Store the assembled frame in a secure location, away from unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing frame from your Glock® model if applicable.
- Align the SCT frame with the slide and lower parts of the firearm.
- Securely attach all components, ensuring they fit snugly.
- Doublecheck that all parts are correctly installed and functioning.

2. Usage:

- Load your firearm only when ready to shoot.
- Always follow standard firearm handling procedures.
- Be aware of your surroundings and ensure a safe shooting environment.

- After use, clean and maintain the assembled frame according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the assembled frame responsibly. Follow local regulations for the disposal of firearm components.
- If the frame is no longer usable, consider recycling options that comply with local waste management laws.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER, please refer to the contact information provided by your retailer or the manufacturer.

By following these guidelines, you can ensure the safe and effective use of your ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER from SCT Manufacturing. Stay informed, stay safe, and enjoy your build!
