# Safety Instruction Guide for ASSEMBLED FRAME FOR GEN 3 G19, G23, & G32 POLYMER SCT MANUFACTURING

## Introduction

Thank you for choosing the SCT 19 frame from SCT Manufacturing. This product is designed to provide a solid foundation for your next firearm build. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure safe use of the SCT 19 frame by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of firearms and firearm components.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms and components out of reach of children and unauthorized users.
- Regularly inspect the frame and all components for any signs of wear or damage before use.
- Use only compatible Glock® Gen 13 parts and magazines with this frame to ensure safety and functionality.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Firearm Handling:**
  - Always handle your firearm in a safe manner and follow the basic rules of firearm safety.
  - Do not point the firearm at anything you do not intend to shoot.
- **Compatibility:**
  - This frame is compatible with Glock® Gen 13 parts and all Glock® 19® magazines. Ensure compatibility before use.
- **Storage:**
  - Store the frame and any associated components in a secure location to prevent unauthorized access.
- **Cleaning and Maintenance:**
  - Regularly clean and maintain the frame to ensure optimal performance and safety.
- **Use with Protective Gear:**
  - Always use appropriate eye and ear protection when using a firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the correct tools for assembly and installation.
- Follow the manufacturer's instructions for assembling the frame with compatible parts.
- Verify that all parts are securely attached and functioning properly before use.

### 2. Usage:

- Load the firearm only when you are ready to use it.
- Ensure the magazine is securely inserted into the magazine well.
- Use the thumb accelerator pad and flared mag well for faster magazine changes during operation.
- Maintain a firm grip on the firearm, utilizing the advanced contour grip and aggressive texturing for better control.

## **Disposal Instructions**

- Dispose of the frame and any associated components in accordance with local regulations.
- Do not dispose of the frame in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the SCT 19 frame, please refer to the manufacturer's contact information provided with your product packaging.

Please ensure to keep this guide for future reference and share it with anyone else who may use the SCT 19 frame. Your safety and the safety of others are paramount. Thank you for your attention to these important guidelines.
