Safety Instruction Guide for LEVER ACTION STOCK SERIES MIDWEST INDUSTRIES

Introduction

Thank you for choosing the Lever Action Stock Series from Midwest Industries. This product is designed to enhance your shooting experience while maintaining the classic feel of lever action rifles. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store the firearm securely and out of reach of children.
- Use only compatible accessories and modifications for your firearm.
- Regularly inspect the stock for any signs of wear or damage.
- Ensure you are using the product in accordance with local laws and regulations.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Ambidextrous Design:** This stock is designed for both left and righthanded shooters. Ensure you are familiar with its operation from your preferred shooting position.
- **Adjustability:** The polymer cheek piece allows for customization. Adjust it to fit your comfort level before use.
- **Length of Pull:** The stock maintains the factory length of pull. Ensure it is suitable for your shooting style.
- **MLOK™ Compatibility:** Use only MLOK™ accessories that are compatible with your firearm to avoid compromising safety.
- **Check for Damage:** Before each use, inspect the stock for cracks or defects. Do not use if any damage is found.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing stock according to the manufacturer's instructions.
- Align the Lever Action Stock with the receiver and secure it using the provided hardware.
- Tighten all screws to the manufacturer's specifications to ensure a secure fit.

2. Usage:

- Adjust the polymer cheek piece to your desired height for optimal sight alignment.
- Familiarize yourself with the ambidextrous design by practicing with the stock in a safe environment.
- Always wear appropriate eye and ear protection when using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in household waste.

- If the product is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Lever Action Stock Series, please contact the manufacturer or your local dealer for assistance. Ensure you have your product information ready for a more efficient support experience.

By following these guidelines, you can ensure a safe and enjoyable experience with your Lever Action Stock Series from Midwest Industries. Thank you for prioritizing safety in your shooting activities.
