Safety Instruction Guide for the Lever Action Stock Series

Introduction

Thank you for choosing the Lever Action Stock Series from Midwest Industries. This product is designed to enhance your shooting experience while maintaining the classic feel of a lever action rifle. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety is engaged when not in use.
- Store the firearm and ammunition securely and out of reach of children.
- Regularly inspect the Lever Action Stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- **Adjustability:** Make sure to adjust the polymer cheek piece to fit your comfort before using the firearm. Improper adjustment can lead to inaccurate shooting or injury.
- **Ambidextrous Design:** The stock is suitable for both left and righthanded shooters. Ensure proper handling based on your shooting preference.
- **Length of Pull:** Maintain the factory length of pull for optimal safety and comfort. Modifications may affect shooting accuracy and safety.
- **MLOK™ Compatibility:** When attaching accessories to the MLOK™ slots, ensure that they are securely fastened to avoid accidents during use.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the Lever Action Stock from its packaging.
- Ensure that the firearm is unloaded before installation.
- Follow the manufacturer's instructions for attaching the stock to your firearm. If unsure, consult a qualified gunsmith.
- Adjust the polymer cheek piece according to your preference.

2. Usage:

- Before firing, doublecheck that the firearm is properly assembled and that the stock is securely attached.
- Familiarize yourself with the stock's features, including the adjustability of the cheek piece.
- Practice safe handling and shooting techniques at a designated shooting range.

Disposal Instructions

- Dispose of the Lever Action Stock in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Ensure that all components are disposed of safely to prevent any hazards.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer or refer to the retailer where the product was purchased.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new Lever Action Stock Series. Remember to stay informed about any product recalls or safety alerts through the EU's Safety Gate platform. Thank you for your attention to safety.
