

# DAKA AMMO SLEEVES - MAGPUL DAKA AMMO SLEEVE ORANGE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

The DAKA Ammo Sleeve was developed for hunters that need a readily accessible way to store additional ammunition in a secure and compact manner. The bi-fold design keeps its footprint small and makes it easy to store in a pack or pocket. It's constructed from highly-durable DAKA material providing rugged protection and a reduced sound signature for those times being quiet will decide if your hunt is a success or failure. Designed to lay open, the Ammo Sleeve keeps all rounds in the same orientation, making them easy to remove and replace. A stretch cord was included to keep the Ammo Sleeve closed and can be used to hang the sleeve if needed. There's a small internal pocket behind the top ammo sleeve capable of holding tags or other important items while in the field. Overall dimensions: 3.9" x 3.3" closed Internal volume: Stores up to 10 rounds of .223 to 300 Win Mag

# DAKA Ammo Sleeves Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Ammo Sleeve by MAGPUL. This product is designed for hunters seeking a secure and compact solution for storing additional ammunition. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the DAKA Ammo Sleeve is used only for its intended purpose of storing ammunition.
- Always handle ammunition with care and follow all safety protocols related to firearms and ammunition storage.
- Keep the Ammo Sleeve out of reach of children and other vulnerable individuals.
- Regularly inspect the Ammo Sleeve for any signs of wear or damage. Do not use a damaged product.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid exposing the Ammo Sleeve to extreme temperatures, moisture, or direct sunlight for extended periods.
- Do not overload the Ammo Sleeve beyond its capacity of 10 rounds.
- Ensure that the stretch cord is securely fastened to prevent accidental opening during transport.
- When removing or replacing ammunition, do so in a safe environment, away from others.
- Always follow local laws and regulations regarding ammunition storage and transportation.

## Instructions for Installation and Usage

### 1. Opening the Ammo Sleeve:

- Lay the Ammo Sleeve flat on a stable surface.
- Gently pull apart the bifold design to open the sleeve.

### 2. Loading Ammunition:

- Insert rounds into the designated slots, ensuring they are oriented in the same direction for easy access.
- Do not exceed the maximum capacity of 10 rounds.

### 3. Securing the Ammo Sleeve:

- Once loaded, close the Ammo Sleeve by folding it back into its bifold position.
- Use the included stretch cord to secure the sleeve closed. This prevents accidental opening.

### 4. Hanging the Ammo Sleeve:

- If desired, the stretch cord can be used to hang the Ammo Sleeve for easy access. Ensure it is hung securely.

### 5. Using the Internal Pocket:

- Utilize the small internal pocket behind the top ammo sleeve for storing tags or other important items.

## **Disposal Instructions**

- Dispose of the DAKA Ammo Sleeve in accordance with local regulations for nonhazardous waste.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding the DAKA Ammo Sleeve, please refer to the contact information provided by the retailer or manufacturer. Ensure that you have your purchase details ready for any support requests.

By following these safety instructions, you can ensure a safe and effective experience with your DAKA Ammo Sleeve. Remember to stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for your attention to safety.
