# SCT 17 Full Size Stripped Polymer Frame Safety Instruction Guide

## Introduction

Thank you for choosing the SCT 17 Full Size Stripped Polymer Frame. This product is designed for use with Glock® Gen 3 models 17, 22, and 31. To ensure safe and effective use of this frame, please read and follow the safety instructions provided in this guide. Adhering to these guidelines will help you avoid potential hazards and ensure a positive experience.

## General Safety Guidelines

- Always treat the frame as if it is loaded.
- Keep the frame out of reach of children and unauthorized users.
- Ensure that you are in a safe environment when handling the frame.
- Familiarize yourself with the local laws and regulations regarding firearm components and usage.
- Inspect the frame for any damage or defects before use.
- Use only compatible parts and accessories with this frame.
- Store the frame securely when not in use.

## Specific Safety Precautions for Use

- Ensure that the frame is assembled correctly before use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Do not modify the frame or use aftermarket parts that are not recommended by the manufacturer.
- Avoid using the frame in wet or damp conditions to prevent corrosion.
- Use the frame only for its intended purpose.
- Do not exceed the manufacturer's recommended specifications for ammunition types and loads.

## Instructions for Installation and Usage

### 1. Installation:

- Start by ensuring that the frame is clear of any ammunition.
- Install the locking block as per the manufacturer's instructions.
- Attach the overmolded rails to the frame.
- Ensure that all components are securely fastened and check for proper alignment.

### 2. Usage:

- Before using the frame, ensure that you have a thorough understanding of its features and controls.
- Load the magazine with the appropriate ammunition.
- Insert the magazine into the frame, ensuring it is seated properly.
- Check that the slide is in the correct position and that the safety mechanisms are functioning.
- Always keep your finger off the trigger until you are ready to shoot.
- Follow all firearm safety protocols when using the frame at a shooting range or in a controlled environment.

## Disposal Instructions

- Dispose of the frame in accordance with local regulations regarding the disposal of polymer materials.
- Do not throw the frame in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the SCT 17 Full Size Stripped Polymer Frame, please refer to the manufacturer's contact information. Ensure that you have the product details available when seeking support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SCT 17 Full Size Stripped Polymer Frame. Thank you for your attention to these important guidelines.
