# SCT 17 Full Size Stripped Polymer Frame Safety Instruction Guide

## Introduction

Thank you for choosing the SCT 17 Full Size Stripped Polymer Frame by SCT Manufacturing. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the frame is used only with compatible Glock® Gen 3 models (17, 22, 31).
- Always handle the frame with care and in accordance with firearm safety practices.
- Keep the frame and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the frame for any signs of wear or damage before use.
- Do not modify the frame in any way that is not recommended by the manufacturer.
- If you experience any issues or malfunctions, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling the firearm.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Avoid using the firearm in wet or damp conditions to prevent damage to the frame and components.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Instructions for Installation and Usage

### 1. Installation of the Frame:

- Ensure the firearm is completely unloaded.
- Remove the slide and barrel from the original Glock® frame.
- Carefully attach the SCT 17 frame to the slide, ensuring proper alignment.
- Install the locking block according to the manufacturer's instructions.
- Ensure that all components fit securely and that there are no gaps.

### 2. Usage of the Frame:

- Once installed, check that all components are functioning properly.
- Familiarize yourself with the frame's features, including the serrations, trigger guard, and mag release area.
- Practice handling the firearm in a safe environment to become accustomed to the frame's ergonomics.
- Always follow safe shooting practices and be mindful of muzzle direction.

## Disposal Instructions

- Dispose of the frame and any unused components in accordance with local regulations regarding firearm parts.
- Do not discard the frame in regular household waste.
- If the frame is damaged or no longer usable, contact your local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For inquiries related to safety, product usage, or support, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have the most current and relevant information regarding your product.

By following these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your SCT 17 Full Size Stripped Polymer Frame. Thank you for your attention to safety.
