Safety Instruction Guide for 9MM Luger Magazines for Steyr AUG®

Introduction

Thank you for choosing the 9MM Luger Magazines for Steyr AUG® from Heresy Design Inc. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the magazine.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not attempt to modify or alter the magazine in any way.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- In case of any malfunction or issue, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use 9MM Luger ammunition in this magazine. Other types of ammunition may cause malfunctions.
- Ensure the magazine is properly seated in the firearm before use.
- Avoid overloading the magazine beyond its 30round capacity.
- Exercise caution when loading and unloading the magazine to prevent accidental discharge.
- When not in use, keep the magazine stored separately from the firearm.
- Be mindful of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attempting to install the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue loading rounds until the magazine reaches its 30round capacity.
- Ensure the rounds are stacked correctly and are not jammed.

3. Using the Firearm:

- After loading, insert the magazine into the firearm as described in the installation section.
- Engage the safety mechanism on the firearm before handling or transporting.
- When ready to shoot, disengage the safety and aim in a safe direction.
- Fire the firearm according to standard operating procedures.

4. Unloading the Magazine:

- Remove the magazine from the firearm while keeping the firearm pointed in a safe direction.

- Press the magazine release button and pull the magazine out of the firearm.
- To unload, press down on the follower and remove each round carefully.

Disposal Instructions

- Dispose of used or damaged magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of this product, please reach out to the manufacturer or an authorized dealer. It is important to have access to professional support for any issues that may arise.

Please remember to regularly check for updates on safety protocols and product recalls through the EU's Safety Gate platform. Your safety is our priority.
