M4E1 Carbine Complete Lower Receiver Safety Instructions

Introduction

Thank you for choosing the M4E1 Carbine Complete Lower Receiver with A2 Grip. This product is designed for use in custom AR15 builds and is manufactured by Aero Precision. This guide provides essential safety information, installation instructions, and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used in compliance with all local laws and regulations regarding firearms.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the lower receiver and any associated parts in a secure location, away from unauthorized access, especially children.
- Regularly inspect the lower receiver and components for signs of wear or damage.
- Follow all manufacturer instructions and guidelines during installation and use.

Specific Safety Precautions for Use

- Use only compatible parts designed for the AR15 platform when assembling your firearm.
- Do not attempt to modify the lower receiver or any components without proper knowledge and tools.
- Ensure that all parts are properly installed before use. If in doubt, consult a qualified gunsmith.
- Avoid using the firearm under conditions that may cause it to malfunction, such as extreme temperatures or moisture.
- Never exceed the manufacturer's specifications for ammunition and parts.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the M4E1 Carbine Complete Lower Receiver from its packaging.
- Inspect the receiver for any visible damage or defects.
- Ensure all included components are present: M4E1 Stripped Lower Receiver, A2 Grip, Milspec Lower Parts Kit, Enhanced Carbine Buffer Tube, Buffer, and Spring.

2. Installation Steps

- **Attach the A2 Grip:**
 - Align the A2 grip with the lower receiver.
 - Secure it using the provided screws from the lower parts kit.
- **Install the Lower Parts Kit:**
 - Follow the included instructions for the lower parts kit to install the trigger, hammer, and safety selector.
- **Install the Buffer Tube:**
 - Screw the Enhanced Carbine Buffer Tube into the receiver until secure.
 - Insert the buffer and spring into the buffer tube.

3. Final Checks

- Ensure all components are tightly secured.
- Conduct a function check to confirm that the trigger and safety selector operate correctly.

- If using a stock, attach it according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the lower receiver or any components become damaged or are no longer usable, follow local regulations for the disposal of firearms and firearm components.
- Do not dispose of the lower receiver in regular trash. Consult with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the M4E1 Carbine Complete Lower Receiver, including safety concerns or product support, please refer to the contact information provided by the manufacturer, Aero Precision, or consult your local firearms authority for guidance.

Conclusion

Your safety and the safety of others is of utmost importance when handling firearms. By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your M4E1 Carbine Complete Lower Receiver. Always stay informed about best practices in firearm safety and maintenance.
