

# AR-15 MOD-3 5.56X45 NATO RIFLE MAGAZINE - AMEND2 AR-15 5.56X45 NATO 30 ROUND MAGAZINE BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Improving on the Mod-2 wasn't an easy task, but Amend2 felt they could push the quality of their magazines even further. With new aesthetics, resin, and feature set, the Mod-3 is sure to impress. The Mod-3 is the perfect magazine to load into your duty rifle, store in your kit, or anything in between. Key differences include: Long strand glass reinforced nylon provides all the durability and impact resistance of our Mod-2 mags, but with increased stiffness and temperature resistance. Enhanced aesthetics and texturing provide excellent grip without compromising smooth reloads. While still maintaining the 2 on the baseplate, the Mod-3 sports muted branding to blend in more in a duty environment. FEATURES: 30-round magazine. 5.56/.223 compatibility. Sturdy, impact-resistant polymer with textured grip. 4 way anti-tilt, self-lubricating follower. Heavy-duty, non-memory, and non-corrosive stainless steel spring. Made in the U.S.A. Material able to cerakote and laser.

# Safety Instruction Guide for AR15 MOD3 5.56X45 NATO Rifle Magazine

## Introduction

Thank you for choosing the AR15 MOD3 5.56X45 NATO Rifle Magazine by Amend2. This guide provides essential safety instructions and information to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle the magazine with care, treating it as a firearm component.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearm magazines.

## Specific Safety Precautions for Use

### • Loading the Magazine:

- Load ammunition only in a safe and controlled environment.
- Use the correct caliber ammunition (5.56/.223) for the magazine.
- Avoid overloading the magazine beyond its 30round capacity.

### • Handling the Magazine:

- Always ensure the firearm is pointed in a safe direction when inserting or removing the magazine.
- Store the magazine in a secure location when not in use.
- Do not attempt to modify or disassemble the magazine.

### • During Use:

- Be aware of your surroundings and ensure a safe shooting environment.
- Do not rely solely on the magazine's features; always follow proper firearm safety practices.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installing the Magazine:

- Ensure that the firearm is unloaded and the safety is engaged.
- Align the magazine with the magazine well of the firearm.
- Firmly insert the magazine until you hear a click, indicating it is locked in place.

### 2. Using the Magazine:

- Load the magazine with ammunition, ensuring it is seated properly.
- Insert the magazine into the firearm as described above.
- To remove the magazine, press the magazine release button and pull the magazine out of the well.

### 3. Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.
- Inspect the follower and spring for proper function.
- Replace the magazine if it shows significant wear or damage.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not throw the magazine in regular waste; check for recycling options for polymer materials.
- If the magazine is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding the AR15 MOD3 5.56X45 NATO Rifle Magazine, please reach out to your local authorized dealer or manufacturer representative.

Please remember to adhere to all safety guidelines and practices when using your AR15 MOD3 magazine. Your safety and the safety of others depend on responsible handling and usage.
