

# AMS MODULAR M-LOK BASE MIL-SPEC CARBINE STOCK - AMEND2

## AMS MODULAR M-LOK BASE MIL-SPEC CARBINE STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

One stock. Unlimited options. The Amend2 Modular Stock (AMS) provides users with a one stop shop for mission configurable stock accessories. Whether you need battery storage, a small compartment for your field notes, on-board cleaning kit, or an ultra light minimalist stock, the AMS can be configured to fit your mission requirements. The M-LOK® Model is the base model of the AMS family of stocks that utilizes an M-LOK® plate to mount your favorite compatible accessories. FEATURES: High strength polymer construction with steel hardware. Recessed controls to prevent accidental adjustment in the field. Multiple friction features to provide a secure lockup and eliminate stock wobble. Rubberized butt plate for secure and comfortable contact with shooter shoulder. Interchangeable accessory slot to allow use of multiple attachments or Amend2 battery tube. Detachable accessory compartment and additional attachment points along bottom rib of stock. Optional lower storage compartment for spare parts.

# AMS Modular MLOK Base MilSpec Carbine Stock Safety Instruction Guide

## Introduction

Thank you for choosing the AMS Modular MLOK Base MilSpec Carbine Stock by Amend2. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your new stock. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the stock for wear and damage before each use.
- Keep the stock away from children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer.
- Ensure that all attachments are securely fastened before use.
- Avoid using the stock in conditions that may compromise its integrity, such as extreme temperatures or exposure to corrosive substances.
- Always maintain a safe shooting posture when using the stock.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have all necessary tools and a clean workspace.
2. **Remove Existing Stock:** If applicable, safely remove your existing stock from the firearm.
3. **Attach MLOK Plate:**
  - Align the MLOK plate with the mounting points on your firearm.
  - Secure the plate using the provided hardware, ensuring it is tightly fastened.
4. **Install the Stock:**
  - Slide the stock onto the MLOK plate.
  - Adjust the stock to your desired length and secure it in place.
5. **Check Stability:** Ensure the stock is securely attached and does not wobble.

### Usage

- Adjust the stock to fit your shoulder comfortably before firing.
- Utilize the accessory slots for additional attachments as needed.
- Regularly check the stock and attachments for signs of wear or loosening during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling the components if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the AMS Modular MLOK Base MilSpec Carbine Stock, please refer to the manufacturer's website or contact their support team directly for assistance.

Thank you for your attention to these safety guidelines. Enjoy your new stock responsibly!
