One stock. Unlimited options. The Amend2 Modular Stock (AMS) provides users with a one stop shop for mission configurable stock accessories. Whether you need battery storage, a small compartment for your field notes, on-board cleaning kit, or an ultra light minimalist stock, the AMS can be configured to fit your mission requirements. The Storage Lite Model utilizes an M-LOK® plate to mount your favorite compatible accessories, as well as our lower storage compartment that will securely mount via M-LOK® to the stock body to store additional tools and accessories of your choice. FEATURES: High strength polymer construction with steel hardware. Recessed controls to prevent accidental adjustment in the field. Multiple friction features to provide a secure lockup and eliminate stock wobble. Rubberized butt plate for secure and comfortable contact with shooter shoulder. Interchangeable accessory slot to allow use of multiple attachments or Amend2 battery tube. Detachable accessory compartment and additional attachment points along bottom rib of stock. Optional lower storage compartment for spare parts.

AMS Modular Lower Storage MILSPEC Carbine Stock Safety Instructions

Introduction

Thank you for choosing the AMS Modular Lower Storage MILSPEC Carbine Stock by Amend2. This safety instruction guide is designed to ensure the safe and effective use of your product while adhering to the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety guidelines, installation instructions, and proper usage of the stock.

General Safety Guidelines

- Ensure that the stock is compatible with your firearm before use.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the stock and all accessories out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recalls or safety notices related to the product by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the stock only as intended. Do not modify or alter the stock in any way.
- Ensure that all components are securely attached before using the firearm.
- Avoid using the stock in extreme environmental conditions unless specified.
- Be cautious of the stock's weight and balance when fully equipped with accessories.
- Always wear appropriate personal protective equipment when handling firearms.

Instructions for Installation and Usage

1. Installation of the Stock:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Align the stock with the buffer tube of the firearm.
- Slide the stock onto the buffer tube until it clicks into place.
- Secure the stock using the provided hardware, ensuring it is tightly fastened.

2. Using the Storage Compartment:

- Open the lower storage compartment by releasing the latch.
- Place tools or accessories inside the compartment without exceeding the recommended weight limit.
- Close the compartment securely before using the firearm.

3. Attaching Accessories:

- Use the MLOK® plate to attach compatible accessories.
- Ensure that all attachments are securely fastened and do not interfere with the operation of the firearm.
- Regularly check the tightness of the attachments during use.

4. Adjusting the Stock:

- To adjust the length of the stock, depress the adjustment lever and slide the stock to the desired position.
- Release the lever to lock the stock in place, ensuring it is secure before use.

Disposal Instructions

- Dispose of the stock and any accessories in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options for polymer and metal components where available.
