

# AR 308 WAHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE - BREEK ARMS AR 308 WARHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE BLK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The WARHAMMER is an incredibly affordable upgrade compared to other 308 charging handles in the market without sacrificing the quality that Breek Arms is proud of. The Warhammer will substantially increase the use of your .308 / 7.62 AR as an easy drop in upgrade. The smaller latches on the MICRO are for use when shooting with gear, slings, or barriers to avoid snagging. The total width of the latches measures 2.40", slightly wider than a standard charging handle width. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed! FEATURES: Material: 7075-T6 aluminum Fits 308 AR Variants - See List Below Finish: Type III hard-coat anodized Perfect replacement for any factory charging handle Latches are also 7075-T6 aluminum Set-Back Latches work great for large optics Allows for one handed manipulation Higher Rear Shelf and Relief Cuts to Divert Suppressor Gasses No gunsmith required Made in America COMPATIBLE WITH- Aero M5, DPMS Gen1 High and Low, Knights Armament SR25, STAG-10, Armalite AR10, Daniel Defense DD5 V3, V4, V5, and many others using DPMS Gen1 or Armalite AR10 platform. NOT COMPATIBLE WITH- SIG716, Savage MSR10, Smith and Wesson M&P10, DPMS R-25 Gen II, Colt LE901, Bushmaster BAR-10, RRA LAR-8, HK MR762, POF ROGUE AR-10/.308 or others using a DPMS Gen2 style upper.

# Safety Instruction Guide for AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle

## Introduction

Thank you for choosing the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. This product is designed to enhance your shooting experience while providing safety and reliability. Please read this safety instruction guide thoroughly to ensure proper use and care of your charging handle.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Always wear appropriate personal protective equipment, including eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Regularly inspect your charging handle and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Ensure that the charging handle is properly installed before using your firearm.
- Avoid using the charging handle with excessive force, as this may cause damage.
- Do not modify the charging handle or attempt to disassemble it.
- Use the charging handle only with compatible AR 308 variants as specified in the product description.
- Be cautious of gas blowback when firing suppressed, as it may cause discomfort.
- If you experience any issues while using the charging handle, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle from your firearm.
3. **Insert New Charging Handle:** Align the AR 308 WARHAMMER MICRO MOD2 Charging Handle with the upper receiver and slide it into place.
4. **Secure Installation:** Ensure that the charging handle is fully seated and secure.
5. **Test Functionality:** Pull the charging handle back to confirm that it operates smoothly.

### Usage

- To charge your rifle, grasp either side of the charging handle and pull it back firmly.
- The textured grooves on the latch handles provide a secure grip, even when wearing gloves.
- Ensure that the charging handle returns to its original position after use.
- Regularly check the charging handle for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations concerning electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.

- If you are unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. Thank you for prioritizing safety and responsibility in your firearm usage.
