[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The WARHAMMER is an incredibly affordable upgrade compared to other 308 charging handles in the market without sacrificing the quality that Breek Arms is proud of. The Warhammer will substantially increase the use of your .308 / 7.62 AR as an easy drop in upgrade. The smaller latches on the MICRO are for use when shooting with gear, slings, or barriers to avoid snagging. The total width of the latches measures 2.40", slightly wider than a standard charging handle width. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed! FEATURES: Material: 7075-T6 aluminum Fits 308 AR Variants - See List Below Finish: Type III hard-coat anodized Perfect replacement for any factory charging handle Latches are also 7075-T6 aluminum Set-Back Latches work great for large optics Allows for one handed manipulation Higher Rear Shelf and Relief Cuts to Divert Suppressor Gasses No gunsmith required Made in America COMPATIBLE WITH- Aero M5, DPMS Gen1 High and Low, Knights Armament SR25, STAG-10, Armalite AR10, Daniel Defense DD5 V3, V4, V5, and many others using DPMS Gen1 or Armalite AR10 platform. NOT COMPATIBLE WITH- SIG716, Savage MSR10, Smith and Wesson M&P10, DPMS R-25 Gen II, Colt LE901, Bushmaster BAR-10, RRA LAR-8, HK MR762, POF ROGUE AR-10/.308 or others using a DPMS Gen2 style upper.

# AR 308 WARHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. This product is designed to enhance the functionality of your .308 / 7.62 AR platform. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure safe use of the charging handle by following these guidelines:
  - Always treat your firearm as if it is loaded.
  - Keep your finger off the trigger until you are ready to fire.
  - Store the charging handle in a secure location when not in use.
  - Regularly inspect the charging handle for any signs of wear or damage.
  - Follow all applicable laws and regulations regarding firearm use and modifications.
- Be aware of potential hazards:
  - Improper installation may lead to malfunctions.
  - Using the charging handle with incompatible firearms could cause injury or damage.
  - Ensure that the charging handle is free of obstructions before use.

## Specific Safety Precautions for Use

- When using the AR 308 WARHAMMER MICRO MOD2 Charging Handle:
  - Always wear appropriate eye protection while shooting.
  - Use the charging handle with both hands for better control, especially when wearing gloves.
  - Avoid using the charging handle in conditions that may cause it to snag on gear or barriers.
  - Do not attempt to modify the charging handle in any way.
- For vulnerable groups:
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that all users are trained in safe firearm handling practices.

## Instructions for Installation and Usage

- **Installation Instructions:**
  1. Ensure your firearm is unloaded and pointed in a safe direction.
  2. Remove the existing charging handle from your firearm by following the manufacturer's instructions.
  3. Align the AR 308 WARHAMMER MICRO MOD2 Charging Handle with the charging handle slot.
  4. Insert the charging handle and ensure it is seated correctly.
  5. Test the charging handle for smooth operation before using the firearm.

- **Usage Instructions:**

- To charge your rifle:
  1. Grip the charging handle with your dominant hand.
  2. Pull the handle back firmly to chamber a round.
  3. Release the handle to allow it to return to its forward position.
- For optimal use, practice charging the rifle with both hands to become familiar with the handle's operation.

## **Disposal Instructions**

- When disposing of the AR 308 WARHAMMER MICRO MOD2 Charging Handle:
  - Follow local regulations regarding the disposal of firearm accessories.
  - If the charging handle is damaged or no longer usable, consider recycling it if possible.
  - Ensure that all parts are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR 308 WARHAMMER MICRO MOD2 Charging Handle, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for safety inquiries and product information.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. Always prioritize safety and be mindful of best practices when handling firearms. Thank you for choosing our product, and enjoy your shooting experience!
