

AR 308 WAHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE - BREEK ARMS AR 308 WARHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE ODG

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The WARHAMMER is an incredibly affordable upgrade compared to other 308 charging handles in the market without sacrificing the quality that Breek Arms is proud of. The Warhammer will substantially increase the use of your .308 / 7.62 AR as an easy drop in upgrade. The smaller latches on the MICRO are for use when shooting with gear, slings, or barriers to avoid snagging. The total width of the latches measures 2.40", slightly wider than a standard charging handle width. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed! FEATURES: Material: 7075-T6 aluminum Fits 308 AR Variants - See List Below Finish: Type III hard-coat anodized Perfect replacement for any factory charging handle Latches are also 7075-T6 aluminum Set-Back Latches work great for large optics Allows for one handed manipulation Higher Rear Shelf and Relief Cuts to Divert Suppressor Gasses No gunsmith required Made in America COMPATIBLE WITH- Aero M5, DPMS Gen1 High and Low, Knights Armament SR25, STAG-10, Armalite AR10, Daniel Defense DD5 V3, V4, V5, and many others using DPMS Gen1 or Armalite AR10 platform. NOT COMPATIBLE WITH- SIG716, Savage MSR10, Smith and Wesson M&P10, DPMS R-25 Gen II, Colt LE901, Bushmaster BAR-10, RRA LAR-8, HK MR762, POF ROGUE AR-10/.308 or others using a DPMS Gen2 style upper.

Safety Instruction Guide for the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle

Introduction

Thank you for choosing the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle by Breek Arms. This guide provides essential safety instructions and usage information to ensure safe operation and maintenance of your product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that you understand the safe use of the charging handle and follow all instructions provided.
- **Risk Awareness:** Be aware of potential hazards associated with improper handling or installation.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices related to this product.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with EU safety regulations.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure that only qualified individuals handle it.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Installation:** Ensure that the charging handle is installed correctly to avoid malfunction.
- **Usage with Gear:** Be cautious when using the charging handle while wearing gloves or other gear to prevent snagging.
- **Shooting Position:** Always maintain a proper shooting stance and ensure that the area is clear of obstructions.
- **Gas Blowback:** Be aware of the potential for gas blowback when using suppressed firearms. Always aim in a safe direction.
- **Regular Inspection:** Regularly inspect the charging handle for signs of wear or damage before each use.
- **Avoid Modifications:** Do not alter or modify the charging handle in any way that could affect its functionality or safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle by following the manufacturer's instructions.
- Align the AR 308 WARHAMMER MICRO MOD2 Charging Handle with the receiver.
- Insert the charging handle into the upper receiver until it is securely in place.
- Test the charging handle to ensure smooth operation before using the firearm.

2. Usage:

- Grip the charging handle firmly on either side.
- Pull the handle back to charge the rifle, ensuring that your fingers are clear of the ejection port.
- Release the handle to allow it to return to the forward position.

- Always verify that the firearm is in a safe condition before proceeding with any shooting activities.

Disposal Instructions

- **Environmental Considerations:** Dispose of the charging handle in accordance with local regulations regarding aluminum recycling.
- **Product Disposal:** If the product is damaged beyond use, take it to a designated recycling facility for proper disposal.

Contact Information for Further Support

For any further inquiries or support related to the AR 308 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle, please refer to the product packaging or the retailer from whom you purchased the item for appropriate contact details.

Thank you for your attention to these safety instructions. Proper handling and care of your AR 308 WARHAMMER MICRO MOD2 Charging Handle will enhance your shooting experience and ensure safe operation.
