

# **BFO CAGE HIDER - BREEK ARMS BFO CAGE HIDER 223/5.56 CALIBER 1/2"X28 THREAD**

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

Breek Arms' lineup of Outside Threaded Muzzle Devices is an affordable upgrade that gives you the option to run a flash hider or muzzle brake while utilizing the Breek Arms Castle Blast Shield as a forward blast diverter or concussion device. Simply slide the blast shield over the outside of the muzzle device and turn the blast shield on. This gives the shooter a more pleasant experience when firing especially for shorter platforms that tend to have an overbearing concussion. This caged style flash hider has added retention on the tines to ensure durability. FEATURES: Rated for 10.5" barrels and up.

# BFO CAGE HIDER Safety Instruction Guide

## Introduction

Thank you for choosing the BFO Cage Hider by Breek Arms. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully before use to understand the proper handling, installation, and disposal of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a muzzle device.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition and free from defects.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the BFO Cage Hider only with compatible firearms, specifically those chambered in .223/5.56 caliber.
- Do not exceed the rated barrel length of 10.5 inches when using this product.
- Ensure the muzzle device is properly secured before firing.
- Be aware that the product may redirect gases and debris; wear appropriate eye and ear protection.
- Avoid using the product in environments where a blast or concussion may pose a risk to yourself or others.
- If you notice any unusual sounds or performance while using the product, cease use immediately and inspect for damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device if applicable.
- Clean the threads of the muzzle to ensure a proper fit.
- Thread the BFO Cage Hider onto the muzzle of the firearm, ensuring it is securely fastened.
- Use a crush washer to achieve a proper lockup and concentric fit.
- Tighten the device according to the manufacturer's specifications, ensuring it is secure but not overtightened.

### 2. Usage:

- Before firing, ensure the blast shield is properly positioned over the muzzle device.
- Engage the blast shield by turning it on as per the manufacturer's instructions.
- Confirm that the firearm is in a safe and stable position before firing.
- After use, allow the firearm and muzzle device to cool before handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BFO Cage Hider, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety with your BFO Cage Hider. We hope you enjoy a safe and enhanced shooting experience.
