Safety Instruction Guide for AR15 Bolt Carrier Gas Key Screws

Introduction

Thank you for choosing the AR15 Bolt Carrier Gas Key Screws from BROWNELLS. This guide provides important safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always inspect the product for damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Ensure the firearm is unloaded and pointed in a safe direction before installing or replacing screws.
- Use only the screws provided in the package; do not substitute with other screws.
- Do not overtighten screws, as this may damage the bolt carrier or gas key.
- If you experience any issues during installation or use, stop immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a proper screwdriver or Allen wrench compatible with the screws.
- Ensure your workspace is clean, welllit, and free from distractions.

2. Installation Steps

- Ensure the firearm is unloaded and safe.
- Remove the existing gas key screws from the bolt carrier if applicable.
- Align the new gas key screws with the holes in the gas key.
- Insert the screws and handtighten them to ensure proper alignment.
- Use the screwdriver or Allen wrench to tighten the screws securely, but do not overtighten.
- Doublecheck that the screws are secure and that there are no gaps.

3. PostInstallation Check

- Inspect the installation to ensure there are no loose components.
- Perform a function check of the firearm to ensure everything operates properly before use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is no longer needed or is damaged beyond safe use, dispose of it in a manner that prevents unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Bolt Carrier Gas Key Screws, please refer to the product packaging or visit the manufacturer's website for support information.

By following these guidelines, you can ensure the safe and effective use of your AR15 Bolt Carrier Gas Key Screws. Thank you for your attention to safety and compliance.
