

# BUSHING FULL LENGTH SIZING DIE - FORSTER PRODUCTS, INC. 300 PRC BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bushing Full Length Sizing Die offers advanced precision by allowing you to precisely control the amount of neck sizing tension in your reloaded brass while sizing the body and bumping the shoulder. This die improves accuracy and prolongs case life because the case's shoulder and body is sized down just enough to fit in a minimum-sized SAAMI rifle chamber, and bushing limits working of the neck.

# Safety Instruction Guide for Bushing Full Length Sizing Die

## Introduction

Thank you for choosing the Bushing Full Length Sizing Die from Forster Products, Inc. This product is designed to enhance your reloading experience by providing advanced precision in neck sizing and overall case preparation. To ensure your safety and the effective use of this product, please read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Keep the workspace clean and organized to avoid accidents.
- Ensure that the Bushing Full Length Sizing Die is used only for its intended purpose.
- Store the die in a dry and secure location, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before each use.

## Specific Safety Precautions for Use

- Handle the die with care to avoid injury from sharp edges.
- Ensure the die is properly secured in the reloading press before use.
- Avoid overtightening the die, as this may lead to damage or malfunction.
- Do not force the die if it becomes stuck; instead, stop and assess the situation.
- Always follow the manufacturer's guidelines for the appropriate cartridge to be used with this die (300 PRC).
- Be aware of the potential for lead exposure; wash hands thoroughly after handling reloaded ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the reloading press and appropriate cartridge cases.
- Ensure the workspace is welllit and free from distractions.

### 2. Installation:

- Remove the Bushing Full Length Sizing Die from its packaging.
- Carefully read the manufacturer's instructions included with the die.
- Install the die into the reloading press by following these steps:
  - Unscrew the lock ring from the die.
  - Insert the die into the press and adjust it to the desired height.
  - Secure the lock ring to hold the die in place.

### 3. Usage:

- Begin by preparing your brass cases for resizing.
- Insert the case into the die and operate the reloading press smoothly.
- Monitor the sizing process to ensure consistent results.
- After resizing, check the cases for proper fit in your rifle chamber.

#### 4. **PostUsage:**

- Clean the die after each use to remove any residue or debris.
- Store the die in its original packaging or a secure location.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the Bushing Full Length Sizing Die in accordance with local regulations.
- Do not throw the die in regular household waste. Check with local authorities for proper disposal methods for metal and reloading components.

## **Contact Information for Further Support**

For any inquiries regarding the Bushing Full Length Sizing Die, including safety concerns or product support, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective reloading experience with the Bushing Full Length Sizing Die. Always prioritize safety and adhere to best practices for reloading to protect yourself and others. Thank you for your attention to these guidelines.
