

BUSHING FULL LENGTH SIZING DIE - FORSTER PRODUCTS, INC.

6.5X47MM LAPUA BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bushing Full Length Sizing Die offers advanced precision by allowing you to precisely control the amount of neck sizing tension in your reloaded brass while sizing the body and bumping the shoulder. This die improves accuracy and prolongs case life because the case's shoulder and body is sized down just enough to fit in a minimum-sized SAAMI rifle chamber, and bushing limits working of the neck.

Attributes

- Name: [FORSTER PRODUCTS, INC. 6.5X47MM LAPUA BUSHING FULL LENGTH DIE](#)

Bushing Full Length Sizing Die Safety Instructions

Introduction

Thank you for choosing the Bushing Full Length Sizing Die from Forster Products, Inc. This product is designed to provide advanced precision for reloading brass. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This die is designed to be safe for use when following the provided instructions. Ensure that you understand how to operate it before use.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will receive standardized notices and remedies. Stay informed about any updates regarding the product.
- **Online Shopping Safety:** If purchased online, ensure the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on product safety.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the die.
- Ensure that the die is securely mounted to your reloading press before use.
- Do not exceed the recommended sizing tension to avoid damaging the brass or the die.
- Keep the work area clean and free of obstructions to prevent accidents.
- Use only compatible brass cartridges with this die to ensure safe and effective operation.
- Regularly inspect the die for any signs of wear or damage before each use.
- Avoid using the die if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Installation:

- Begin by securely attaching the die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned with the press for smooth operation.
- Adjust the bushing to the desired neck sizing tension before starting the reloading process.

2. Usage:

- Prepare your brass cases by cleaning and inspecting them for any damage.
- Insert the brass case into the die and operate the press to size the body and bump the shoulder as needed.
- Monitor the sizing process to ensure that the neck tension is within acceptable limits.
- After sizing, remove the brass case from the die and check for proper fit in your rifle chamber.

Disposal Instructions

- Dispose of any used or damaged brass cases and components in accordance with local regulations.
- The die itself should be stored in a safe place to prevent damage. If it becomes unusable, contact local

waste management for proper disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Bushing Full Length Sizing Die, please refer to the product packaging or visit the official website of Forster Products, Inc. for customer support resources.

Thank you for prioritizing safety and following these guidelines while using your Bushing Full Length Sizing Die. Enjoy your reloading experience!
