

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 284 SHEHANE FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

- Name: [FORSTER PRODUCTS, INC. 284 SHEHANE FULL LENGTH DIE SET](#)

Safety Instruction Guide for Forster FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS

Introduction

Thank you for choosing the Forster FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all tools and equipment are in good working condition before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the work area clean and organized to prevent accidents.
- Use the product only for its intended purpose as described in this guide.
- Store the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the dies and replace them as necessary.
- Report any unsafe conditions or product-related accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for reloading and using the dies.
- Avoid exceeding the recommended pressures and specifications for the cartridges being used.
- Be aware of the potential hazards associated with handling reloading materials.
- Ensure that the dies are securely mounted before use to prevent movement during operation.
- Do not attempt to modify the dies or use them in a manner not specified by the manufacturer.
- Use caution when handling sharp edges on the dies to avoid cuts or injuries.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Securely mount the sizing die in the press according to the manufacturer's instructions.
- Insert the seater die into the press, ensuring it is properly aligned and tightened.

2. Usage:

- Start by resizing the brass cases using the full length sizing die. Follow the specific instructions for your reloading press.
- Use the EZ case neck expander system as needed for optimal performance.
- After sizing, proceed to seat the bullets using the Forster Bench Rest seater die, ensuring proper alignment and depth.
- Regularly check the cartridges for consistency and quality throughout the reloading process.

Disposal Instructions

- Dispose of any unused or damaged reloading materials in accordance with local regulations.
- Do not throw away the dies in regular household waste. Contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Forster FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS, please contact the manufacturer or refer to the product packaging for further support options.

By following these guidelines, you can ensure a safe and effective reloading experience with your Forster dies. Thank you for your attention to safety and responsible usage.
