

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 8.6MM BLACKOUT FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 8.6MM BLACKOUT FULL LENGTH DIE SET](#)

# Safety Instruction Guide for Forster Full Length Sizing and Bench Rest Seater Die Sets

## Introduction

Thank you for choosing the Forster Full Length Sizing and Bench Rest Seater Die Sets. These highquality reloading dies are designed to help you produce concentric rounds reliably. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the dies only for their intended purpose, which is reloading ammunition for firearms.
- Keep the dies out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Ensure a wellventilated area when reloading to avoid inhaling any dust or fumes.
- Regularly inspect the dies for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of reloading dies can lead to accidents, including misfires and injuries.
  - Ensure that all components used with the dies are compatible and in good condition.
- **Avoiding Hazards:**
  - Do not exceed recommended load specifications for the ammunition you are reloading.
  - Always doublecheck measurements and settings before commencing the reloading process.
  - Never leave the reloading process unattended.
  - Store reloading components, including primers and powders, in a secure and safe location.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is clean and free from debris.
2. Install the full length sizing die into the reloading press according to the manufacturer's instructions.
3. Adjust the die to the correct height for sizing your cases.
4. Secure the die using the Forster Cross Bolt Die Locking Ring to ensure stability during use.

### • Usage:

1. Prepare your cases by cleaning and inspecting them for damage.
2. Insert the case into the reloading press and raise the ram to engage the sizing die.
3. Follow the specific instructions for the Bench Rest seater die to properly seat your bullets.
4. After reloading, check each round for proper seating and crimping.
5. Store completed ammunition in a cool, dry place.

## Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not dispose of reloading components, such as primers and powders, in regular household waste.

- Contact your local waste management facility for guidance on the safe disposal of hazardous materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the use of the Forster Full Length Sizing and Bench Rest Seater Die Sets, please refer to the manufacturer's contact information provided with the product packaging or visit the official website of Forster Products, Inc.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for choosing Forster Products, and happy reloading!
