

# BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. 284 SHEHANE BENCH REST SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 284 SHEHANE BENCH REST SEATER DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430107338
- Mfr. No.: 006175

# Safety Instruction Guide for BENCH REST® SEATER DIES

## Introduction

Thank you for choosing the BENCH REST® SEATER DIES by Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of your reloading dies. Please read this document carefully before use to understand the necessary precautions and procedures.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the reloading dies. Always follow the instructions provided to avoid any risks associated with reloading ammunition.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a safety issue, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, ensure the platform meets all safety requirements similar to physical stores.
- **Special Consumer Focus:** Use caution when handling these dies, especially if children are present. Keep all reloading tools out of reach of children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the relevant EU contact information (not provided in this document).
- **Rapid Alerts:** Stay updated on any safety alerts related to your product via the Safety Gate system.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the dies.
- **Use Proper Equipment:** Ensure all reloading equipment is in good condition and suitable for the specific tasks.
- **Wear Safety Gear:** Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- **Work in a Safe Environment:** Use the dies in a wellventilated area, free from distractions and hazards.
- **Handle with Care:** Avoid dropping or mishandling the dies to prevent damage or injury.
- **Check for Damage:** Inspect dies for any signs of wear or damage before use. Do not use damaged equipment.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Install the Forster Bench Rest Seater Die according to the press manufacturer's instructions.
- Adjust the die to the correct position for your specific cartridge (284 Shehane).

### 2. Reloading Process:

- Prepare your cases by cleaning and inspecting them.
- Insert the case into the die chamber, ensuring it is seated properly.
- Place the bullet onto the case mouth, ensuring proper alignment.
- Slowly raise the ram of the reloading press to seat the bullet into the case.
- Check the overall length of the round using a caliper to ensure it meets specifications.

### 3. PostUse:

- After reloading, clean the dies to remove any residue or debris.
- Store the dies in a safe, dry place away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact local waste disposal authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BENCH REST® SEATER DIES, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your BENCH REST® SEATER DIES. Thank you for prioritizing safety in your reloading activities.
