

HANNIBAL RAIL FOR RUGER® MINI-14® & RUGER® MINI THIRTY® - SAMSON MANUFACTURING CORP HANNIBAL RAIL FOR RUGER MINI-14 & THIRTY-2007/EARLIER GRAY

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Complete your Ruger® Mini-14® , Mini Thirty® or Ruger® AC-556 with this precision machined direct optic mount solution from Samson. **IMPORTANT:** The Hannibal Rail is currently offered for 2008 and later Mini-14® or Mini Thirty®, or 2007 and earlier Mini-14® (in both black and natural gray). **NOTE** - It also fits on the Ruger AC-556. Refer to the Ruger® serial number lookup on their website if you are unsure what year your rifle was manufactured. It is very important that the correct combination of Hannibal Rail and barrel type is used. If during installation there are any fitment concerns, immediately stop and contact Samson Mfg. customer service. Choose 2008 and Later Mini-14® or Mini Thirty® (Black or Natural Gray) if your rifle has a factory flange barrel and a series number beginning with 580 and higher. Choose 2007 and Earlier Mini-14® ONLY (Black or Natural Gray) if your rifle has a factory straight pencil barrel and a series number beginning with 181 and higher, but not including 580 and higher. Directly mount a micro red dot forward of the action without the need for a Picatinny rail clamp adapter. The integrated Picatinny rail on top of the Hannibal Rail is perfect for mounting any accessory your heart desires, and gives your rifle a more tactical look. The included 2" Picatinny rail and QD swivel mount can be attached to the side of the Hannibal Rail for even more accessory mounting options. The Hannibal Rail accepts red dot optics compatible with the following footprints: Trijicon RMR® Leupold DeltaPoint® Pro Vortex VENOM® C-MORE **NOTE:** With the large number of micro red dots currently available on the market, along with any that may come out in the near future, it is impossible to guarantee that every single one will be compatible with the Hannibal Rail. Whether it's minor changes in the optic footprint, or differences in the optic mounting screw thread pitch, Samson Mfg. customer service will do everything they can to answer any compatibility questions you may be having. **INCLUDES** Hannibal rail Barrel clamp 2" Picatinny rail section QD swivel mount Blue thread locker SCREWS: 4X 10-32 x 3/8 low head screw (2X 2" picatinny rail section, 2X QD swivel mount) 4X 6-32 x 3/8 socket head screw (2X barrel clamp, 2X micro red dot optional) 2X MR1 pins (Trijicon RMR®, Leupold DeltaPoint® Pro) 2X MR2 pins (C-MORE, Vortex VENOM®) Hex Wrenches: 9/64" 7/64" 3/32" 1/16" **FEATURES** Compatible with Samson Mfg's A-TM Folding Stock (see **IMPORTANT** information above for Mini-14® and Mini Thirty® compatibility) Replaces factory plastic handguard Mounts directly to barrel, allowing the use of most aftermarket Mini-14® stocks Allows mounting of micro red dot Specifications: Material: 6061-T6 Aluminum Finish: Type III, class 2 anodized finish Length: 9.9" Width: 1.5" Height: 0.7" Weight: 5.6 oz. **NOTE:** OPTIC NOT INCLUDED

Safety Instruction Guide for HANNIBAL RAIL FOR RUGER® MINI14® & RUGER® MINI THIRTY®

Introduction

Thank you for choosing the HANNIBAL RAIL FOR RUGER® MINI14® & RUGER® MINI THIRTY® from Samson Manufacturing Corp. This guide provides essential safety instructions to ensure the safe use and installation of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Always verify the compatibility of the Hannibal Rail with your specific model of Ruger® Mini14® or Mini Thirty® before installation.
- Regularly inspect the rail and its components for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility Check:** Confirm that your Ruger® Mini14® or Mini Thirty® falls within the specified years of manufacture (2007 and earlier for Mini14® or 2008 and later for Mini Thirty®) and that the barrel type matches the Hannibal Rail requirements.
- **Installation Caution:** If you encounter any fitment concerns during installation, stop immediately and contact customer service for assistance.
- **Optic Compatibility:** Ensure that any red dot optics used with the Hannibal Rail are compatible with the specified footprints (Trijicon RMR®, Leupold DeltaPoint® Pro, Vortex VENOM®, CMORE).
- **Use of Accessories:** When mounting accessories on the integrated Picatinny rail, ensure they are securely attached to avoid any risk of detachment during use.
- **Avoid Modifications:** Do not modify the Hannibal Rail or its components, as this could compromise safety and performance.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and components as listed in the product specifications.
2. **Compatibility Verification:** Check the serial number of your Ruger® Mini14® or Mini Thirty® to confirm compatibility with the Hannibal Rail.
3. **Installation Steps:**
 - Remove the existing handguard from your rifle.
 - Align the Hannibal Rail with the barrel, ensuring it fits securely.
 - Use the provided screws and hex wrenches to attach the rail to the barrel clamp.
 - If mounting a micro red dot, position it on the integrated Picatinny rail and secure it according to the manufacturer's instructions.
4. **Final Check:** Ensure all screws are tightened and the rail is securely attached before use.
5. **Usage:** When using your rifle with the Hannibal Rail, always ensure that the optic and any accessories are properly mounted and secured.

Disposal Instructions

- Dispose of the Hannibal Rail and its components in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the HANNIBAL RAIL FOR RUGER® MINI14® & RUGER® MINI THIRTY®, please refer to the customer service section provided by Samson Manufacturing Corp.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your HANNIBAL RAIL FOR RUGER® MINI14® & RUGER® MINI THIRTY®. Always prioritize safety and compliance with the guidelines outlined in this manual. Enjoy your shooting experience!
