Safety Instruction Guide for HANDGUARD UNIVERSAL FOR AK47

Introduction

Thank you for choosing the HANDGUARD UNIVERSAL FOR AK47 by Samson Manufacturing Corp. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handguard. Please read this document thoroughly before installation and usage.

General Safety Guidelines

- Ensure that you are using this product in accordance with the manufacturer's specifications.
- Always handle firearms and firearm accessories with care.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the handguard.
- Use appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Avoid placing your hands near the gas tube during operation to prevent burns.
- Ensure that the handguard is properly aligned and secured before use to prevent accidents.
- If you are uncertain about the installation or use of this product, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation (if required).

2. Installation:

- Remove the existing handguard from your AK47, if applicable.
- Align the new HANDGUARD UNIVERSAL with the receiver.
- Use the adjustable handguard alignment system to achieve the desired fit.
- Secure the handguard using the included hardware.
- Check that the handguard is firmly in place and does not move.

3. Usage:

- Once installed, ensure the handguard is stable before attaching any accessories.
- Use the extended handguard length to shield your hand from the barrel.
- Attach accessories to the MLOK® slots as needed.
- Always monitor the handguard during use for any signs of movement or instability.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the handguard in general waste; consider recycling options where available.

- If the product is defective or damaged, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's website or customer service resources. Ensure that you have the product details available for assistance.

By following these guidelines, you can ensure a safer experience when using your HANDGUARD UNIVERSAL FOR AK47. Always prioritize safety and consult professionals when in doubt.
