PosiSnap Safety Selector Safety Instruction Guide

Introduction

Thank you for choosing the Geissele PosiSnap Safety Selector. This guide provides essential safety information and instructions for the safe use and installation of your product. Please read this guide carefully to ensure proper usage and compliance with safety regulations.

General Safety Guidelines

- Ensure that the PosiSnap Safety Selector is installed correctly before use.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Do not engage or disengage the safety selector while the firearm is loaded.
- Regularly inspect the safety selector for wear or damage.
- If you notice any irregularities, do not use the product and seek professional assistance.
- Store your firearm and its components securely to prevent unauthorized access, especially from children.

Specific Safety Precautions for Use

- The PosiSnap Safety Selector is designed for use with AR15 platforms only.
- Ensure that the safety selector is fully engaged before handling the firearm.
- Avoid excessive force when operating the safety selector to prevent damage.
- Do not modify the safety selector in any way.
- If you are unfamiliar with firearm operation, seek training from a qualified instructor.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure the firearm is unloaded before starting the installation process.
2. **Remove the Old Selector:** If applicable, carefully remove the existing safety selector from the firearm.
3. **Insert the PosiSnap Safety Selector:** Align the new safety selector with the designated slot on the firearm's lower receiver.
4. **Secure the Selector:** Ensure that the selector is seated properly and secure it according to the manufacturer's instructions.
5. **Test Functionality:** Before using the firearm, test the selector to confirm it operates correctly.

Usage

- To engage the safety, rotate the selector to the "Safe" position until it clicks into place.
- To disengage the safety, rotate the selector to the "Fire" position until it clicks into place.
- Always verify that the safety selector is functioning properly before using the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the safety selector is damaged or no longer in use, dispose of it responsibly. Do not throw it in regular trash.
- Check with local waste management authorities for proper disposal procedures for firearm components.

Contact Information for Further Support

For any inquiries or concerns regarding the PosiSnap Safety Selector, please reach out to the designated EU

contact point provided by the manufacturer. Ensure you have your product details ready for assistance.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe use of the Geissele PosiSnap Safety Selector. Always stay informed about safety practices and regulations to maintain a secure environment while handling firearms. Thank you for your attention to these important safety measures.
