# Safety Instruction Guide for RETRO A1 Rear Sight Assembly

## Introduction

Thank you for choosing the RETRO A1 Rear Sight Assembly by LUTHAR. This guide provides essential safety instructions and guidelines to ensure the safe installation and use of your new sight assembly. Please read this manual carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rear sight assembly for ARstyle rifles.
- Always handle firearms and firearm accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight assembly for any signs of damage or wear before each use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the rear sight assembly.
- Use appropriate eye and ear protection when shooting.
- Do not modify the rear sight assembly or use it in ways not specified in this manual.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Follow all manufacturer instructions for your specific firearm model to ensure compatibility and safety.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your ARstyle rifle if applicable.
- Align the RETRO A1 Rear Sight Assembly with the mounting platform on your rifle.
- Secure the sight assembly using the provided screws and tools, ensuring it is tightly fastened.
- Check alignment and adjust as necessary before use.

### 2. Usage Instructions:

- Familiarize yourself with the windage knob and aperture adjustments.
- Make adjustments to the windage and elevation as needed for accurate shooting.
- Practice shooting in a controlled environment to gain confidence in using the sight assembly.

## Disposal Instructions

- Dispose of the RETRO A1 Rear Sight Assembly according to local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling components where possible.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product details ready for efficient assistance.

By following the guidelines outlined in this safety instruction guide, you can ensure a safer experience while using the RETRO A1 Rear Sight Assembly. Thank you for prioritizing safety and responsible firearm handling.
