# LEVER GUN STOCK SHELL HOLDER PLATE & SHELL HOLDERS

## Safety Instruction Guide

### Introduction

Thank you for purchasing the Midwest Industries Lever Gun Stock Shell Holder Plate with 6 Shell Holders. This product is designed to enhance your shooting experience by allowing you to carry extra ammunition conveniently. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the holder and shell holders for wear and damage.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- If you notice any defects or issues with the product, discontinue use immediately and seek assistance.

### Specific Safety Precautions for Use

- Only use the Midwest Industries Universal Shell Holders designed for this product.
- Do not overload the shell holder beyond its capacity of 6 shell holders for a total of 12 rounds.
- Ensure that the shell holders are securely attached to the plate before use.
- Avoid exposing the product to extreme temperatures or harsh chemicals that may damage its materials.
- Be cautious when handling ammunition to prevent accidental discharge.

### Instructions for Installation and Usage

#### 1. Installation of Shell Holder Plate:

- Identify the mounting area on your firearm where the shell holder plate will be installed.
- Use appropriate tools to securely attach the shell holder plate to the firearm according to the manufacturer's guidelines.
- Ensure that the plate is firmly mounted and does not wobble or shift.

#### 2. Attaching Shell Holders:

- Take the Midwest Industries Universal Shell Holders and align them with the designated slots on the shell holder plate.
- Firmly press the shell holders into place until you hear a click, indicating they are securely attached.
- Repeat this process until all 6 shell holders are installed.

#### 3. Loading Ammunition:

- Carefully load the ammunition into each shell holder, ensuring that the rounds are seated properly.
- Do not exceed the maximum capacity of 12 rounds.

#### 4. Using the Product:

- When ready to use, ensure that the firearm is pointed in a safe direction.
- Access the ammunition from the shell holders as needed during use.
- After use, unload the firearm in a safe manner and store the product in a secure location.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding the disposal of aluminum and other materials.
- If the product is damaged beyond repair, consider recycling the materials to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the usage and safety of the Midwest Industries Lever Gun Stock Shell Holder Plate and Shell Holders, please refer to the manufacturer's contact details provided with your product.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new product. Always prioritize safety when handling firearms and related accessories.
