# Safety Instruction Guide for AK Alpha Series Quad Rail Handguards

## Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguards from Midwest Industries. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of your new handguard. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always handle your firearm safely and responsibly.
- Ensure that you are familiar with your firearm and its operation before installing any accessories.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Inspect the handguard and firearm regularly for any signs of wear or damage.
- Always follow local laws and regulations regarding the use of firearms and firearm accessories.
- If you experience any issues or uncertainties during installation or use, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning installation.
- Do not attempt to modify the handguard or firearm in any way that could compromise safety.
- Be aware of the potential for sharp edges on the handguard and handle it with care.
- Avoid using the firearm in conditions that could lead to overheating, which may affect the handguard's performance.
- Regularly check for proper attachment and stability of the handguard during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a wrench or screwdriver.

### 2. Installation Steps:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Align the AK Alpha Series Quad Rail Handguard with the firearm's receiver.
- Secure the handguard in place using the provided mounting hardware.
- Ensure that the handguard is firmly attached and does not wobble or shift.

### 3. Usage:

- Familiarize yourself with the features of the handguard, including the rail space for mounting accessories.
- When attaching accessories, ensure they are compatible and securely fastened.
- Regularly inspect the handguard and accessories during use to ensure they remain secure.

## Disposal Instructions

- When disposing of the handguard, follow local regulations regarding the disposal of metal and aluminum products.

- Recycle the handguard if possible, as it is made from lightweight Hard Coat Anodized 6061 Aluminum.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding your AK Alpha Series Quad Rail Handguards, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AK Alpha Series Quad Rail Handguards. Thank you for your attention to safety, and enjoy your new accessory!
