

# AK ALPHA SERIES QUAD RAIL HANDGUARDS - MIDWEST INDUSTRIES AK ALPHA SERIES QUAD RAIL HANDGUARD 10.0"

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Midwest Industries has developed the next generation of their AK Drop-In Handguards in the Form of the Alpha Quad Rail! Developed for full flexibility with full handguard, bottom handguard only, MI AK Alpha Series optic and top cover accessories, and railed gas tube configurations. Adjustable design fits on most AKM firearms with stamped receivers. Specially-designed heat shield included with each MI AK Alpha Series handguard. No permanent modifications to firearm. Robust design with multiple contact points to firearm. Multiple QD points for sling attachments. Constructed from lightweight Hard Coat Anodized 6061 Aluminum for a lifetime of service. 1913 rail space for accessory mounting across handguard. 6" Rails weigh 9.3oz, 10" Rails weigh 13.3oz. Made in the USA. Lifetime Warranty. May require slight fitting based on receiver size and handguard cap position - If your firearm is not straight, take your firearm to gunsmith for installation. Compatible with most AK47/AK74 AKM stamped receiver firearms. Will NOT fit Yugo or milled receiver firearms. Compatible with Midwest Industries Alpha Series red dot mounts and top cover (MI-AK-ALPHA-RDM, MI-AK-ALPHA-T2M, MI-AK-ALPHA-RTC). Compatible with Midwest Industries railed gas tube and Ultimak rail gas tube.

# Safety Instruction Guide for AK Alpha Series Quad Rail Handguards

## Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguards from Midwest Industries. This guide provides essential safety instructions, installation guidelines, and usage tips to ensure safe operation and longevity of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is compatible with your firearm model. The AK Alpha Series Quad Rail Handguards are designed for most AKM firearms with stamped receivers, but will not fit Yugo or milled receiver firearms.
- Always handle your firearm with care, following all local laws and regulations regarding firearm safety.
- Inspect the handguard before use for any signs of damage or defects. Do not use if damaged.
- Keep the handguard and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the handguard is securely attached to the firearm before use.
- Avoid placing your hands near the gas tube area while the firearm is in use, as it may become hot.
- Be aware of your surroundings when using the firearm to avoid accidents.
- Do not make any permanent modifications to your firearm or the handguard.
- If you experience difficulty during installation, seek assistance from a qualified gunsmith.
- Regularly check the tightness of all attachments and accessories mounted on the handguard.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare Your Workspace:** Ensure you have a clean, welllit area to work in. Gather all necessary tools.
2. **Remove Existing Handguard:** If applicable, remove the existing handguard from your firearm, following the manufacturer's instructions.
3. **Align the Handguard:** Position the AK Alpha Series Quad Rail Handguard over the firearm's receiver, ensuring it aligns with the mounting points.
4. **Secure the Handguard:** Use the provided hardware to secure the handguard in place. Ensure all screws are tightened but do not overtighten to avoid damage.
5. **Install Accessories:** If desired, attach any compatible accessories to the 1913 rail space.
6. **Final Check:** Doublecheck the installation for security and alignment before using the firearm.

### Usage Guidelines

- Always refer to your firearm's manual for specific handling and operation instructions.
- Use the handguard to mount accessories such as lights or optics as needed, ensuring they are properly secured.
- Regularly clean and maintain the handguard to ensure optimal performance.
- If you notice any issues during use, such as instability or looseness, discontinue use immediately and check the installation.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of the handguard in regular household waste.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or general support, please refer to the manufacturer's website or contact their customer service team directly.

By following these guidelines, you can ensure safe and effective use of your AK Alpha Series Quad Rail Handguards. Thank you for your attention to safety and responsible firearm ownership.
