# Safety Instructions for AK Alpha Series Quad Rail Handguards

## Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguards by Midwest Industries. This product is designed to enhance your firearm's versatility and performance. To ensure safe and effective use, please read this safety instruction guide carefully before installation and usage.

## General Safety Guidelines

- Follow all local, state, and national laws regarding firearm usage and modifications.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until you are ready to shoot.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities immediately.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the AK Alpha Series Quad Rail Handguards are compatible with your specific AKM firearm model. This product is not compatible with Yugo or milled receiver firearms.
- **Installation Caution:** If your firearm is not straight, take it to a qualified gunsmith for installation. Improper fitting may lead to unsafe conditions.
- **Heat Shield Use:** Always use the speciallydesigned heat shield included with the handguard to prevent burns and ensure safe handling during operation.
- **Sling Attachment:** Utilize the multiple QD points for sling attachments to secure your firearm during use.
- **Weight Consideration:** Be aware of the weight of the rails (6" rails weigh 9.3 oz; 10" rails weigh 13.3 oz) and ensure your setup is manageable for your intended use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver or wrench as needed.

### 2. Installation Steps:

- Remove the existing handguard from your firearm by following the manufacturer's instructions.
- Align the AK Alpha Series Quad Rail Handguards with your firearm's receiver.
- Attach the handguard securely, ensuring all mounting points are engaged.
- Install the included heat shield according to the provided instructions.
- Check for any movement or looseness; the handguard should be firmly attached.

### 3. Usage:

- Before use, doublecheck that all attachments are secure.
- Familiarize yourself with the new rail system and practice safe handling.
- Ensure that any accessories mounted on the rail are securely attached and do not obstruct the

operation of your firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged or no longer usable, ensure it is disposed of in a safe manner to prevent any hazards.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage, please contact the manufacturer directly through their official channels. Ensure you have your product information and any relevant details ready for a prompt response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AK Alpha Series Quad Rail Handguards. Always prioritize safety and responsible firearm ownership.
