AK Alpha Series Quad Rail Handguards Safety Instruction Guide

Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguard by Midwest Industries. This product is designed to enhance the functionality and versatility of your AKM firearm. To ensure your safety and the proper use of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Ensure that the firearm is pointed in a safe direction at all times during installation and usage.
- Keep the handguard and firearm out of reach of children and unauthorized users.
- Regularly inspect the handguard for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use only compatible accessories as specified in the product description.
- In case of any doubts or concerns regarding installation or use, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the handguard is securely attached before handling the firearm.
- Do not exceed the weight limit of the rail space when mounting accessories.
- Avoid using the handguard in extreme temperatures or environments that may affect its integrity.
- Be cautious of hot surfaces after firing, as the handguard may become hot.
- If you experience any malfunctions or issues during use, cease operation immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a wrench and any specified tools from the manufacturer.

2. Installation Steps

- Remove the existing handguard from your AKM firearm according to the manufacturer's instructions.
- Align the AK Alpha Series Quad Rail Handguard with the firearm's receiver.
- Securely attach the handguard using the provided mounting hardware, ensuring a snug fit.
- Check that the handguard does not interfere with the operation of the firearm.

3. Usage

- Once installed, familiarize yourself with the rail space available for accessory mounting.
- Attach accessories as needed, ensuring they do not exceed the weight limit specified by the manufacturer.
- Regularly check the tightness of all mounted accessories to ensure they remain secure during use.

4. PostUse Care

- After use, clean the handguard according to the manufacturer's recommendations.
- Store the firearm in a safe and secure location, out of reach of children.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding metal materials.
- If the handguard is damaged or no longer in use, consider recycling it at an appropriate facility.
- Do not dispose of the handguard in household waste.

Contact Information for Further Support
