Safety Instruction Guide for AK Alpha Series Quad Rail Handguards

Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguards by Midwest Industries. This guide provides important safety information, installation instructions, and maintenance tips to ensure the safe and effective use of your handguards. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your firearm model (AK47/AK74 AKM stamped receivers). It will NOT fit Yugo or milled receiver firearms.
- Always handle your firearm with care and ensure it is unloaded before installation.
- Do not modify the handguard or firearm in any way that could compromise safety.
- Regularly inspect the handguard for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear eye protection when handling firearms.
- Ensure that the firearm is pointed in a safe direction during installation and use.
- Be cautious of sharp edges on the handguard during installation.
- Do not exceed the weight limit for accessories mounted on the handguard.
- If your firearm is not straight, consult a qualified gunsmith for installation assistance.
- Be aware that the handguard may become hot during use; allow it to cool before handling.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation, including a torque wrench if required.

2. Installation Steps

- Remove the existing handguard from your firearm.
- Align the AK Alpha Series Quad Rail Handguard with the mounting points on the firearm.
- Secure the handguard using the provided hardware. Ensure all screws are tightened according to the manufacturer's specifications.
- Attach any desired accessories to the 1913 rail space on the handguard.

3. Usage

- Use the handguard for improved grip and accessory mounting.
- Regularly check the tightness of all screws and accessories, especially after extensive use.
- If any accessory becomes loose, stop using the firearm until it is properly secured.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations for aluminum products.
- Do not dispose of the product in household waste if it is damaged; contact local waste management for proper disposal methods.
