# Safety Instruction Guide for AK Alpha Series Quad Rail Handguards

## Introduction

Thank you for choosing the AK Alpha Series Quad Rail Handguard by Midwest Industries. This product is designed to enhance your firearm's versatility while ensuring maximum safety during use. Please read this safety instruction guide carefully to understand the proper usage, installation, and maintenance of the handguard.

## General Safety Guidelines

To ensure safe use of the AK Alpha Series Quad Rail Handguard, please adhere to the following guidelines:

- Always handle firearms with care and follow standard firearm safety rules.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the product and all tools out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage before use.
- Do not attempt to modify the handguard or firearm in any way that could compromise safety.
- Use only compatible accessories specified in the product documentation.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the AK Alpha Series Quad Rail Handguard, follow these specific precautions:

- Ensure that the handguard is properly installed and secured before use.
- Be cautious of sharp edges during installation and handling.
- Avoid using the firearm in wet or humid conditions without proper maintenance.
- Do not exceed the weight limit of the rail when attaching accessories.
- If the firearm is not functioning correctly, cease use immediately and consult a qualified gunsmith.
- Use protective eyewear when handling or firing the firearm.

## Instructions for Installation and Usage

To ensure safe and effective installation and use of the AK Alpha Series Quad Rail Handguard, please follow these steps:

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded. Gather all necessary tools for installation.
2. **Remove Existing Handguard:** Carefully remove the existing handguard from the firearm according to the manufacturer's instructions.
3. **Install the Alpha Quad Rail:**
  - Align the handguard with the firearm's receiver.
  - Slide the handguard into position until it is securely seated.
  - Ensure all contact points are engaged and check for stability.
4. **Secure the Handguard:** Use the provided screws or mounting hardware to secure the handguard. Tighten according to the recommended torque specifications.
5. **Check Fitment:** Confirm that the handguard is properly fitted and does not interfere with the operation of the firearm.
6. **Attach Accessories:** If applicable, attach compatible accessories to the rail system as per the manufacturer's guidelines.

## **Usage Instructions**

- Always ensure the firearm is in a safe condition before handling.
- Check that the handguard is properly secured before each use.
- Familiarize yourself with the location of QD points for sling attachments.
- Use the handguard to assist with grip and stability during aiming and firing.

## **Disposal Instructions**

When disposing of the AK Alpha Series Quad Rail Handguard, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- If the handguard is damaged or no longer in use, consider recycling the aluminum materials.
- Do not discard the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK Alpha Series Quad Rail Handguard, please refer to the product documentation or consult with a qualified professional.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your enhanced shooting experience with the AK Alpha Series Quad Rail Handguard!
